Dear Dave,

**Trading Halt Request  
Alkane Resources Ltd**

Alkane Resources Ltd (**ALK**) requests an immediate trading halt with respect to its ordinary shares from the commencement of trading on 12 June 2014.

For the purposes of Listing Rule 17.1, ALK provides the following information:

- a) The trading halt is necessary for ALK to make an announcement to the market in relation to the results of a capital raising to be conducted over the course of today and tomorrow by way of a placement to institutional, sophisticated and professional investors, and to allow the bookbuild for that placement to take place.
- b) ALK requests that the trading halt remain in place until ALK announces the results of that placement. ALK presently anticipates such an announcement will be made prior to commencement of trading on 16 June 2014.
- c) ALK is not aware of any reason why the trading halt should not be granted.

Yours sincerely,

Karen E V Brown
