ASX ANNOUNCEMENT

Full year Financial Performance Guidance

The board of Viento Group Limited (ASX: VIE) (“Viento”) is providing this market guidance on Viento’s financial performance for the year ended 30 June 2014.

The acquisitions of HVLV Pty Ltd and Power Infrastructure Services Pty Ltd, along with internal growth of existing businesses, have produced a strong increase in the Company’s financial performance for the 2014 financial year.

Revenue for the year to 30 June 2014 is expected to be in the range of \$100 to \$105 million. Earnings before Interest, Tax, Depreciation and Amortisation (EBITDA) is expected to be in the range of \$10 to \$12 million.

This compares to 2013 financial year revenue of \$24 million, and an EBITDA loss of \$1.7 million.

The estimated 2014 EBITDA figures exclude the amortisation of intangibles on acquisitions made during the year and any impairment of the fair value of assets held on the balance sheet.

Viento’s Executive Chairman, Ray Munro, said “The result demonstrates early success in the board’s decision to create a diversified earnings base for the Company, which the board expects will continue to produce further growth in the new financial year.”
