The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 5:00pm (WST) on 16 July 2014.

Voting in person

To vote in person, attend the Meeting at the time, date and place set out above.

Voting by proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2013 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.gondwanaresources.com/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy:

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member):

You **do not** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***you must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy:

You **do not** need to direct your proxy how to vote on this Resolution, and you **do not** need to mark any further acknowledgement on the Proxy Form.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PAUL GOODSALL

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Clause 13.2 of the Constitution provides that:

- (a) At the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.
- (b) The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

- (c) A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election.
- (d) In determining the number of Directors to retire, no account is to be taken of:
 - (i) a Director who only holds office until the next annual general meeting pursuant to clause 13.4 of the Constitution; and/or
 - (ii) a Managing Director,each of whom are exempt from retirement by rotation. However, if more than one Managing Director has been appointed by the Directors, only one of them (nominated by the Directors) is entitled to be excluded from any determination of the number of Directors to retire and/or retirement by rotation.

The Company currently has 4 Directors, 1 of whom is a Managing Director, accordingly 1 must retire.

Paul Goodsall, the Director longest in office since his last election, retires by rotation and seeks re-election.

4. RESOLUTION 3 – RATIFICATION OF PRIOR PLACEMENT OF SHARES

4.1 Background

On 31 March 2014, the Company announced the placement of 2,500,000 Shares at a price of \$0.032 per Share and, subject to Shareholder approval, 1,250,000 free attaching New Options to sophisticated and professional investors (as those terms are defined in the Corporations Act) (**Placement**).

The Company issued the Shares, the subject of the Placement, without prior Shareholder approval out of its 15% annual placement capacity, however, the issue of the New Options remains subject to Shareholder approval (and is the subject of Resolution 4).

The New Options are to be issued on the basis of one Option exercisable at a price of \$0.05 each on or before 31 December 2015 and otherwise on the terms and conditions set out in Schedule 1 for every two Shares subscribed for and issued.

Resolution 3 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Shares under the Placement.

4.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

4.3 Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of obtaining Shareholder approval of the Shares issued under the Placement:

- (a) 2,500,000 Shares were issued;
- (b) the Shares were issued at a price of \$0.032 per Share;
- (c) the issued Shares are fully paid ordinary shares and rank equally with the existing Shares on issue;
- (d) the Shares have been issued to sophisticated and professional investors and none of the recipients are related parties of the Company; and
- (e) the funds raised from the Placement will be used by the Company for working capital, assisting the funding of the Company's gold and mineral exploration programmes at Parker Range, Pilbara and elsewhere.

4.4 Directors' Recommendation

None of the Directors has a material personal interest in the subject matter of Resolution 3. The Board believes that the ratification of the Shares the subject of Resolution 3 is beneficial for the Company. The Board recommends Shareholders vote in favour of Resolution 3 as it provides the Company with the flexibility to issue further securities representing up to 15% of the Company's Share capital during the next 12 months without Shareholder approval.

5. RESOLUTION 4 – PLACEMENT OF NEW OPTIONS

5.1 General

Resolution 4 seeks Shareholder approval for the issue of up to 1,250,000 Options for nil cash consideration to subscribers in the Placement on the basis of 1 Option for every 2 Shares subscribed for and issued.

A summary of ASX Listing Rule 7.1 is set out in Section 4.2.

The effect of Resolution 4 will be to allow the Directors to issue the Options pursuant to the Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

5.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Options to be issued under the Placement:

- (a) the maximum number of New Options to be issued is 1,250,000;
- (b) the New Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue will occur on the same date;

- (c) the issue price of the Options will be nil as they will be issued free attaching with the Shares issued pursuant to the Placement on a 1:2 basis;
- (d) the New Options will be issued to the subscribers in the Placement the subject of Resolution 3 on the basis of 1 New Option for every 2 Shares subscribed for and issued;
- (e) the New Options are exercisable at any time on or before 31 December 2015 at an exercise price of \$0.05 per New Option and otherwise on the terms and conditions set out in Schedule 1; and
- (f) no funds will be raised from the issue of the New Options pursuant to the Placement as the New Options are being issued for nil cash consideration.

6. RESOLUTION 5 – FURTHER PLACEMENT – SHARES AND OPTIONS

6.1 General

Resolution 5 seeks Shareholder approval for the issue of up to 15,000,000 Shares, together with 15,000,000 free attaching Further Placement Options (**Further Placement**).

The issue price of the Shares to be issued under the Further Placement will be not less than 80% of the average market price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus, over the last 5 days on which sales in the securities were recorded before the date the prospectus is signed. The reason for the proposed discounted issue price is to attract investors and ensure the success of the capital raising.

The purpose of the Further Placement is to raise additional funds for the Company. Based on the most recent closing market price for Shares on 30 April 2014 of \$0.055, the lowest issue price (ie maximum discount) under the Further Placement (of not less than 80% of this market price) would be \$0.044 per Share. Therefore, assuming an issue price of \$0.044 per Share and assuming all Shares are issued under the Further Placement, the Company would raise \$660,000. This amount is for illustrative purposes only – the market price of Shares (upon which the issue price of the Shares will be based) may be different at the date of the Further Placement meaning a lesser or greater amount will be raised.

The Directors will determine to whom the Shares and Further Placement Options will be issued under the Further Placement but these persons will not be Directors or related parties. The allocation policy adopted by the Directors will be as follows: placees will preferably be sophisticated, professional or otherwise exempt investors under section 708 of the Corporations Act and parties that, in the estimation of the directors, will be likely to support the Company's published objectives and policies (preferably long-term holders). Placees will preferably be issued a parcel of shares worth \$20,000 or more. Subject to these criteria, the shares to be placed will be offered to either existing shareholders or other investors (including the general public).

The reason the Company is seeking shareholder approval for the Further Placement is that the Company is likely to require additional funds to assist in meeting its forecast cash expenditures for the period ending 31 March 2015. If approved, the Directors are likely, depending on market conditions, to undertake the Further Placement within the next one to two months, but not later than three months after the date of the Meeting. Further, the Company is

currently engaged in active discussions in relation to more immediate capital raising options to meet the Company's short and medium term commitments and working capital requirements. Once the Company has finalised its preferred fund raising plans it will immediately update Shareholders.

The Company has considered options for raising capital other than the Further Placement including the sale of assets and debt finance. After due consideration of the advantages and disadvantages of each option, the Directors have decided that the most prudent and effective way of raising additional capital for the Company would be via the Further Placement. This is in keeping with the practice of almost all junior exploration companies in Australia who generally find equity capital markets their sole source of funds for exploration. Debt finance is not an option for the Company as it has no cash flow from which to service and repay the debt. A summary of ASX Listing Rule 7.1 is set out in Section 4.2.

The effect of Resolution 5 will be to allow the Company to issue the Shares and Further Placement Options pursuant to the Further Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

6.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Further Placement:

- (a) the maximum number of Shares to be issued is 15,000,000 and the maximum number of Further Placement Options to be issued is also 15,000,000;
- (b) the Shares and Further Placement Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares and Further Placement Options will occur progressively;
- (c) the issue price of the Shares will be not less than 80% of the average market price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus, over the last 5 days on which sales in the securities were recorded before the date the prospectus is signed;
- (d) the issue price of the Further Placement Options will be nil as they will be issued free attaching with the Shares on a 1:1 basis;
- (e) the Directors will determine to whom the Shares and Further Placement Options will be issued but these persons will not be directors or related parties of the Company;
- (f) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (g) the Further Placement Options will be issued on the terms and conditions set out in Schedule 2; and
- (h) the Company intends to use the funds raised from the Further Placement for assisting the funding of the Company's gold and mineral exploration programmes at Parker Range, Pilbara and Gascoyne and administration costs (as to 90% of the funds raised) and toward working capital (as to 10% of the funds raised). This is a statement of current intentions as of the date of this Notice. As with any budget, intervening

events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way funds are applied on this basis.

6.3 Dilution

Assuming no Options are exercised or other Shares issued and the maximum number of 15,000,000 Shares is issued under the Further Placement, the number of Shares on issue would increase from 22,053,440 (being the number of Shares on issue as at the date of this Notice) to 37,053,440 and the shareholding of existing Shareholders would be diluted by 40.5%. Further, assuming the Further Placement Options which are free attaching to the maximum number of Shares are exercised, an additional 15,000,000 Shares would be issued and the number of Shares would further increase from 37,053,440 to 52,053,440 and the shareholding of existing Shareholders would be diluted by an additional 28.8%.

Lastly, assuming the maximum number of 15,000,000 Shares is issued under the Further Placement and also assuming the Further Placement Options which are free attaching to the maximum number of Shares are exercised simultaneously, the number of Shares, in effect, would increase from 22,053,440 (being the number of Shares on issue as at the date of this Notice) to 52,053,440 and the shareholding of existing Shareholders would be diluted by 57.63%.

7. RESOLUTION 6 – APPROVAL OF EMPLOYEE SHARE PLAN

Resolution 6 seeks Shareholders approval for the adoption of the employee incentive scheme titled Employee Share Plan (**Plan**) in accordance with ASX Listing Rule 7.2 (Exception 9(b)).

A summary of ASX Listing Rule 7.1 is set out in Section 4.2. ASX Listing Rule 7.2 (Exception 9(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to issue Shares under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the re-adoption of the Plan and the future issue of Shares under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Any future issues of Shares under the Plan to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

A summary of the key terms and conditions of the Plan is set out in Schedule 3. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary.

The Company last obtained Shareholder approval for the adoption of the Plan and for the issue of Shares under it as an exception to ASX Listing Rule 7.1 on 26 May 2010. As such approval only lasts for a period of three years, the Company

must re-seek Shareholder approval pursuant to ASX Listing Rule 7.2 (Exception 9) in order to continue to issue Shares pursuant to the Plan as an exception to ASX Listing Rule 7.1.

Shareholders should note that a total of 25,000 Shares have been issued under the Plan since the date of last approval.

Pursuant to ASX Listing Rule 7.9, no issues of Shares will be made under the Plan without Shareholder approval for the period of three months after the Company is told in writing that a person is making, or proposes to make, a takeover for securities in it.

8. RESOLUTION 7 – APPROVAL OF 10% PLACEMENT CAPACITY

8.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 7, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 8.2 below).

The effect of Resolution 7 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 7 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

8.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$1,212,939.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Security on issue, being the Shares (ASX Code: GDA).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

8.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 7:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 8.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the

Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0275 50% decrease in Issue Price	\$0.055 Issue Price	\$0.11 100% increase in Issue Price
37,053,440 (Current Variable A)	Shares issued - 10% voting dilution	3,705,344 Shares	3,705,344 Shares	3,705,344 Shares
	Funds raised	\$101,897	\$203,794	\$407,588
48,080,160 (50% increase in Variable A)	Shares issued - 10% voting dilution	4,808,016 Shares	4,808,016 Shares	4,808,016 Shares
	Funds raised	\$132,220	\$264,441	\$528,882
59,106,880 (100% increase in Variable A)	Shares issued - 10% voting dilution	5,910,688 Shares	5,910,688 Shares	5,910,688 Shares
	Funds raised	\$162,544	\$325,088	\$650,176

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 37,053,440 Shares on issue comprising:
 - (a) 22,053,440 existing Shares as at the date of this Notice of Meeting; and
 - (b) 15,000,000 Shares which will be issued if Resolution 5 is passed at this Meeting.

2. The issue price set out above is the closing price of the Shares on the ASX on 30 April 2014.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for continued exploration on the Company's gold and mineral exploration programmes at Parker Range, Pilbara and Gascoyne (funds would then be used for project, feasibility studies and ongoing project administration), the acquisition of new resources, assets and investments (including expenses associated with such acquisitions) and general working capital; or
- (ii) as non-cash consideration for the acquisition of new resources, assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or

new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company has not previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

8.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 7.

SCHEDULE 3 – SUMMARY OF EMPLOYEE SHARE PLAN

(a) **Introduction**

The Plan is designed to provide employees, consultants and Directors of the Company or any of its subsidiaries (**Eligible Employees**) with a motivation to meet agreed targets, provide continuity of service to the Company, and/or increase profitability and returns to Shareholders. The Plan also offers financial support for employees of the Company to acquire the Shares pursuant to the Plan.

(b) **Acquisition of Shares**

The Directors may invite Eligible Employees to acquire Shares under the Plan at their discretion. The Shares issued under the Plan (**Plan Shares**) will be fully paid ordinary shares in the capital of the Company, and will rank equally with the Company's other issued Shares. Plan Shares will be the subject of applications for quotation on ASX as soon as practicable after the Plan Shares are issued.

An offer of Plan Shares may be accepted by the Eligible Employee or:

- (i) the trustee of a trust under which the Eligible Employee or a relative of the Eligible Employee is a beneficiary;
- (ii) a spouse, parent, sibling or child of an Eligible Employee; or
- (iii) any body corporate in which a controlling interest is held by the Eligible Employee,

(each a **Participant**).

(c) **Issue Price of Plan Shares**

The issue price of each Plan Share will be determined by the Directors at or before the time of the invitation to acquire Plan Shares under the Share Plan, provided that the issue price is not less than the market price of Shares, being the weighted average sale price of the Shares sold on ASX on the 5 trading days prior to the date of the offer.

(d) **Loan of Issue Price**

Upon receipt by the Company of an application for Plan Shares, the Company must determine to make an interest free loan to the Participant of the whole of the issue price, and apply the loan amount to the payment of the issue price of the Plan Shares, at which time a loan agreement shall arise between the Company and the Participant without the need for further action by either party.

(e) **Restriction on Transfer of Plan Shares**

A Participant may only transfer or dispose of Plan Shares as set out in the following table or as otherwise determined by the Directors at the time of issue:

Time Frame	Percentage of Plan Shares that may be transferred or disposed of
With one year of issue date	33.3%
Within 2 years of issue date	66.6%
After 2 years of issue date	100%

However, if the relevant Eligible Employee is made redundant by the Company, or

there is a change of control of the Board of the Company, the Participant may dispose of the Plan Shares.

Until the loan referred to in paragraph (d) is repaid, the Company has a right of first refusal over the Participant's Plan Shares the subject of the loan.

(f) **Limit on Plan Shares**

No Plan Shares may be issued by the Company under the Plan when the aggregate of:

- (i) the number of Plan Shares; and
- (ii) the number of other Shares (including unissued Shares the subject of options) issued under any other employee incentive scheme of the Company in the past 3 years,

exceeds 5% of the total number of issued Shares in the capital of the Company.

(h) **Structure of the Loan**

During the term of any such loan, dividends paid in respect of the Plan Shares in relation to which the Company made the loan will be retained by the Company and applied towards repayment of the loan.

The Participant may repay the outstanding loan balance at any time, unless the Eligible Employee to whom the original offer of Plan Shares was made ceases employment with the Company, in which case the loan must be repaid by the Participant within 30 days of termination of employment.

If a Participant is required to sell their Plan Shares and settle the loan, and the proceeds of the sale of the Plan Shares do not cover the outstanding loan balance, the Company will meet the loss on the loan. This means that the loan will effectively be linked to the value of the Plan Shares.

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business.
