About iiNet

iiNet is Australia's second largest DSL Internet Service Provider and the leading challenger in the telecommunications market. Publicly listed on the ASX 200, our company is now valued at approximately \$1 billion. We employ more than 2500 inquisitive staff across three countries – 80 per cent of whom are employed to directly service our 900,000 customers. We maintain our own super-fast broadband network and support over 1.7 million broadband, telephony and Internet Protocol TV (IPTV) services nationwide.

We're committed to making it simple for all Australians to connect across both our own network and on the NBN. Our vision is to lead the market with products that harness the potential of the Internet and then differentiate with award-winning customer service.
