NetSuite Honours JCurve Solutions with a 5-Star Award

JCurve Solutions Limited (ASX: JCS), a provider of cloud accounting and ERP solutions powered by NetSuite and exclusively designed for small businesses, today announced that it is a recipient of a NetSuite 5-Star Award at SuiteWorld 2014, NetSuite's annual user conference for customers, partners, media and industry analysts held in San Jose, Calif. JCurve and NetSuite enable small and growing businesses in Australia and New Zealand to realise the power of cloud computing – increasing productivity, reducing costs and streamlining opportunities.

JCurve is proud to be recognised by NetSuite, the industry's leading provider of cloud-based financials/ERP and omnichannel commerce software suites, with the highest partnership status awarded to top partners around the globe.

"We are passionate about giving small businesses access to software that large enterprises have had for many years. This award signals the market shift to cloud accounting and ERP for small businesses, as they continue to outgrow entry level accounting software, fuelling JCurve's fast-paced growth," said Graham Baillie, Founder and Managing Director at JCurve Solutions.

"We thank our customers for continuing to entrust us to transform their businesses with NetSuite and streamline their business operations," added Mr. Baillie.

"NetSuite and JCurve formed a close partnership in Australia and New Zealand five years ago to service the growing demand from small to medium sized businesses. The success of this partnership has seen rapid growth in this space, with a solution that delivers enterprise grade ERP and financials to small and emerging businesses. We are delighted with the results that the JCurve and NetSuite partnership has achieved and we are thrilled to award them with the 5-Star Award," said Vince Randall, Sales Director, NetSuite Australia and New Zealand.

Launched in 2002, the NetSuite Solution Provider Program is the industry's leading cloud channel partner program and unites hundreds of channel partners and their cloud opportunities with industry-leading margins and incentives (NetSuite SP 100) to grow their businesses. With cloud computing at the forefront of the hottest trends and cloud ERP leading business demand, NetSuite has seen the on-going migration of channel partners from representing on-premise products like Sage and Microsoft Dynamics Great Plains to NetSuite's superior cloud business management suite. Designed to help solution providers transform their business model to fully capitalize on the revenue growth opportunity of the NetSuite cloud, the

NetSuite Solution Provider Program delivers them unprecedented benefits that begin during recruitment and range from business planning, sales, marketing and PS enablement, to training and education.

About JCurve Solutions
