RCR distributes company research reports globally to investors, other market participants and company strategists. RCR was commissioned to compile this report by the Company.

About Latin Resources

Latin Resources Limited is a mineral exploration company focused on creating shareholder wealth through the identification and definition of mineral resources in Latin America, with a specific focus on Peru. The company has a portfolio of projects in Peru and is actively progressing its two main project areas: Guadalupito (Iron and Heavy Mineral Sands) and Ilo (Iron Oxide-Copper-Gold/Copper Porphyry). Latin has also recently acquired the mineral rights covering a total of 40,483 hectares in the new Iron Ore district of Rio Grande do Norte State, Brazil.
