### Award of Contract – Flinders University, Adelaide

Smart Parking Ltd (ASX:SPZ or **Company**) is pleased to advise that Flinders University, Adelaide has elected to utilise its car parking technology products and software.

The contract provides for the installation of 48 car counters and 150 vehicle detection sensors plus wireless parking directional and information signage at Flinders University car parks. In addition, the Company shall provide parking data and maintenance on agreed commercial terms for an initial tenure of 5 years. The university has approximately 4,800 parking spaces and scope exists to expand this initial instalment. This project follows recent contract awards to two other Australian universities.

The Company looks forward to providing an effective ongoing solution to assist with the regulation of parking within Flinders University.

For and on behalf of the Board,

A handwritten signature in black ink, appearing to read 'Jeremy King'.
