## **THUNDELARRA LAUNCHES NEW CORPORATE LOGO**

Thundelarra Limited is pleased to announce the launch of our new corporate logo today.

This new logo was specifically commissioned with the objective of creating a design that more closely reflects Thundelarra's holistic approach to the overall process of exploration. We also sought a design that reinforced the changes and the new direction that we have been implementing in recent times.

We are very pleased with the result and believe this to be another positive step in our endeavours to re-establish Thundelarra's presence as a significant and successful exploration company delivering value to shareholders.
