**Appointment of Mr Terrence R. Grammer
As a Non-executive Director**

Great Western Exploration Limited (ASX: **GTE**) is pleased to announce the appointment of experienced geologist and mining executive, **Mr Terrence Grammer**, to its Board as a Non-executive Director.

Mr Grammer has been a driving force behind some of Australia's most successful resource companies and is one of Australia's most successful exploration geologist's with a career spanning more than 40 years in Australia, Africa, Asia and New Zealand.

Mr Grammer has been based in Western Australia since 1988 and has extensive professional experience in the exploration of gold, base metals & industrial minerals and has an enviable record over a long period of time that includes being directly involved in three highly successful exploration companies that made the transition from junior explorer to an ASX200 Company.

He was a founder and promoter in 1999 of the hugely successful nickel miner Western Areas NL, and was exploration manager of the company from 2000 until retiring in 2004.

In 2000 he was joint winner of the AMEC Prospector of the Year Award for his role in the discovery of the highly profitable Cosmos nickel deposit in 1997 that subsequently resulted Jubilee Mines NL becoming a leading mid-tier Australian mining company prior to its \$3.0 billion cash takeover by Xstrata.

In June 2010 Mr Grammer joined the Board of Sirius Limited that subsequently went on to make the Nova discovery that has transformed that company and will likely become a significant nickel producer in the near future.

Mr Grammer was also Chairman of South Boulder Mines Limited from 2008 through to 2013 where he helped guide the company through the discovery, development and funding of the Colluli potash deposit in Eritrea.

Mr Grammer is currently Non-Executive Director of Sirius Resources Limited and Non-Executive Chairman of Kin Mining NL.

GTE Chairman Mr Kevin Somes, commenting on Mr Grammer's appointment, said: "We are delighted to have secured someone of Terry's calibre and track record to join the Great Western Exploration Board. His experience gained from a long and successful career exploration will be of significant value to GTE as will his extensive contact network within the industry.
