Dear Fiona

REQUEST FOR SUSPENSION

Bluestone Global Limited (the **Company**) requests an immediate suspension to the trading of the Company's ordinary shares quoted on the Australian Securities Exchange (**ASX**) in accordance with ASX Listing Rule 17.2.

The Company has been in a trading halt pending an announcement to be made to the market regarding current discussions with major shareholders for their support of the Company's short term funding requirements. The suspension is requested as the Company will not be in a position to make the announcement before the end of the trading halt.

In accordance with Listing Rule 17.2, the Company provides the following information in relation to the request for suspension:

1. The suspension is necessary to assist the Company in managing its continuous disclosure obligations as the Company expects to make a material announcement to the market in relation to the outcome of discussions with major shareholders regarding their support of Company's short term funding requirements.
2. The Company requests that the suspension remains in place until the earlier of commencement of normal trading on Monday 4 August 2014, or when the announcement regarding the outcome on the discussions with shareholders is released to the market.
3. The Company expects to make the announcement to the market before the commencement of normal trading on Monday 4 August 2014.
4. The Company is not aware of any reason why the suspension should not be granted or of any further information necessary to inform the market about the suspension.

Please contact me if you require any further information concerning this matter.

Yours sincerely
