Australian Stock Exchange Limited

Dear Sir,

Company Update and Quarterly Report

Frankland River Olive Company Limited presents this update and report on the consolidated entity's activities for the Quarter ending 30 June 2014.

June Quarter Sales

Sales in March Quarter were \$346,641.55. Receipts from customers were \$356,135.33.

Cashflow

The Company had cashflow from operations in the quarter of negative \$305,000. This includes additional expenditure during the quarter in relation to the 2014 harvesting season which commenced in 1st April 2014. The company expects the September quarter to be cashflow positive as director has implemented a number of cost reduction and restructuring initiatives which will hopefully have a positive cashflow effect.

Operations Update

The company during the quarter employed a new Sales Manager for WA and has recruited a number of sales assistants to carry out in store tasting of extra virgin olive oil at major grocery stores, shopping centre and local gourmet resellers. Substantial time has been spent developing a new marketing strategy and several new initiatives are underway.

The Company remains fortunate to have the on-going financial support of its largest shareholder Toscana(WA) Pty Ltd which has previously agreed to provide working capital as and when required to supplement the Company's existing cashflows until such time as the full months benefits of the ongoing restructuring and marketing initiatives which commenced over 12 months ago take effect and fully flow through.

For and on behalf of
FRANKLAND RIVER OLIVE COMPANY LIMITED

Ivo Paul Letari
Chairman

Notes

+ See chapter 19 for defined terms.

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. Accounting Standards. ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
