Dear Sirs,

COMPANY UPDATE ON MAJOR PROJECTS

The Company is in the process of finalising matters in connection with its financial year end 30 June 2014 audit and associated procedures and will be issuing a market update to shareholders Form 4E on 29 August 2014.

In the meantime we enclose some recent photographs showing current progress on our main projects under development and construction – The Sengkang LNG Production Plant – Indonesia and the LNG Hub Terminal and related 650MW Power Plant at Pagbilao Philippines.

Yours faithfully,
For and on behalf of
ENERGY WORLD CORPORATION LTD.

Brian J. Allen
Executive Director
