RESPONSE ON ARTICLE REPORTED IN THE AUSTRALIAN FINANCIAL REVIEW

Blackgold International Holdings Limited (ASX: BGG) refers to the article in the Australian Financial Review on 5 August 2014, "Beijing plans to ban coal use by end of 2020".

The article refers to Chinese State media quoting statements by the Beijing Municipal Environmental Protection Bureau that Beijing will ban coal use in its six main districts by the end of 2020.

BGG is currently not supplying coal to Beijing, and BGG does not believe that any restrictions on using coal in Beijing will have a direct impact on BGG in the near future.

Certain statements included in this announcement constitute forward looking information. This information is based upon a number of estimates and assumptions made by the Company in light of its experience, current conditions and expectations of future developments, as well as other factors that the Company believes are appropriate in the circumstances. While these estimates and assumptions are considered reasonable, they are inherently subject to business, economic, competitive, political and social uncertainties and contingencies. Many factors could cause the Company's actual results to differ materially from those expressed or implied in any forward-looking information provided by the Company, or on behalf of, the Company. Such factors include, among other things, risks relating to additional funding requirements, metal prices, exploration, acquisition, development and operating risks, competition, production risks, regulatory restrictions, including environmental regulation and liability and potential title disputes. Forward-looking information is no guarantee of future performance and, accordingly, investors are cautioned not to put undue reliance on forward-looking information due to the inherent uncertainty therein. Forward-looking information is made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward-looking information, whether as a result of new information, future events or results or otherwise.

About Blackgold

Blackgold International Holdings Limited (ASX Code: BGG) is a Chongqing, China-based producer of high value thermal coal predominantly sold for industrial power generation to power plant customers in Shanghai. Blackgold listed on ASX on 22 February 2011. Blackgold intends to continue to increase its coal production through internal growth and via acquisition to become a significant producer of high value thermal coal.

Blackgold currently operates four existing underground thermal coal mines, the Caotang Mine and the Heiwan Mine in Fengjie County, Chongqing in the PRC, the Baolong Mine (previously referred to as the Wushan MaoJia Wang Coal Mine) in Wushan County, Chongqing in the PRC and the Changhong Mine in the area bordering Xishui County of Guizhou and QiJiang County of Chongqing.

Location of Blackgold's Mines
