Dear Sir/Madam

Appendix 3B – Atrico

The Board of Imdex is pleased to announce the appointment of Atrico Pty Ltd (Atrico) as a strategy and transaction advisor to the Company.

Atrico is a Perth-based firm that works with technology companies globally to build and realise shareholder value through strategic growth and transactions.

Atrico has a proven, 20-year track record of technology company value creation by taking technology vendors up the value chain and into new markets, bringing economic focus to technology product lifecycle and strategy, and advising on mergers and acquisitions.

Imdex has been working with Atrico on an informal basis for a number of years on various strategic aspects of the business. For example, Atrico identified and was working with ioGlobal and was instrumental in the acquisition of that business by Imdex in November 2012. ioGlobal, now fully integrated into Reflex, provides an extensive array of technologies which create new opportunities for Imdex to expand its business to include resource companies as well as mining service companies.

A more formal arrangement has been agreed with Atrico. As part of the fees that Atrico will receive for acting as advisors to Imdex, the Board has sought to provide Atrico a performance incentive through the issue of 900,000, 3-year options exercisable at \$1.00 and vesting in one third tranches every six months.

The requisite Appendix 3B advice notice is attached.

Yours faithfully
Imdex Limited

Paul Evans
CFO / Company Secretary
