CALL ON PARTLY PAID SHARES

Yellow Rock Resources Limited (the "Company") announces that the directors resolved on 5 September 2014 to make a call of \$0.005 cents per share on the 80 million partly paid shares to raise \$400,000.

On 4 September 2014 the Western Australian Supreme Court of Appeal Court handed down its decision 2014WASCA clarifying the rights of the Company to call on the partly paid shares. On 5 June 2012, the Company made a call in respect of \$0.005 cents per share for two outstanding years. A holder of partly paid shares challenged the Company's call before a Master of the Supreme Court who found that the call was invalid. The Company appealed the decision of the Master acting on advice from Counsel. The Court of Appeal upheld the decision of the Master.

Notices were issued on 5 September 2014 to the holders of the partly paid shares calling for payment of \$0.005 per share within 7 days.

Yours faithfully,

Sydney Chesson

Chairman
