The placement is made pursuant to the Company's placement capacity under listing rules 7.1 and 7.1A as follows; 2,027,248 ordinary shares pursuant to listing rule 7.1 and the balance of 6,861,640 ordinary shares pursuant to the Company's 7.1A placement capacity.

In addition to the above placement the Company issued the following additional securities:

- a) 2,253,820 fully paid ordinary shares on conversion of preference shares;
- b) 1,000,000 unlisted options with an exercise price of \$0.20 expiring 11 September 2017; and
- c) 300,000 unlisted options with an exercise price of \$0.30 expiring 11 September 2016.

7.1A DISCLOSURE

The following 7.1A disclosure is in respect of the issue of 6,861,640 ordinary fully paid shares, issued within the Company's 7.1A placement capacity pursuant to the share placement announced to the ASX on 3 September 2014.

The Company provides the following information in accordance with Listing Rule 3.10.5A:

(a) Details of the dilution to the existing holders of ordinary securities caused by the issue.

Number of shares held by existing shareholders before the Placement	71,005,107
Number of Shares on issue after the Placement (Issued pursuant to LR 7.1A)	77,866,747
% dilutionary effect of Placement on existing shareholders before the Placement	9.66%

Further details of the approximate percentage of the issued capital post the 7.1A placement held by the pre-placement security holders and new security holders is as follows:

Participants in the placement who were not previously security holders	9.24%

- (b) Where the equity securities are issued for cash consideration, a statement of the reasons why the eligible entity issued the equity securities as a placement under rule 7.1A and not as (or in addition to) a pro rata issue or other type of issue in which existing ordinary security holders would have been eligible to participate.**

It was the Company's view that a pro rata issue would not deliver the necessary capital in the required timeframe and in addition it was considered that the level of support likely to be received from existing shareholders would not be sufficient.

- (c) Details of any underwriting arrangement, including any fees payable to the underwriter.**

No underwriting arrangements or underwriting fees are payable.

- (d) Any other fees or costs incurred in connection with the issue.**

Reimbursable expenses and fees payable to non-related parties in respect of the arrangement of the share placement – approximately 6% of gross placement funds where applicable.
