#### **About Skills Connect Pty Ltd**

Reclaim Industries Limited has entered into a Heads of Agreement to acquire Employment Management Systems Pty Ltd, the 100% owner of Skills Connect Pty Ltd (see ASX Announcement dated 16 May 2014). Skills Connect is a company focused on IT solutions for the human resources industry. Skills Connect's enterprise grade, patented technology enables job seekers, employers and human resources departments/recruitment firms to interact in a transparent, efficient and user-friendly way that drives improved work practices and productivity. Job seekers more easily find work in locations and at times that suit their availability. Employers manage the human resources needs of their employees, and gain valuable business intelligence on workforce productivity. HR departments/recruiters manage and grow their casual candidate databases, and better service their internal clients/customers. Skills Connect's technology has applications across a broad range of industries including hospitality, fast food, retail, event management, nursing, security, gaming and governments.
