Contract Extension – South African Telco

JCurve Solutions Limited (ASX: JCS) (“The Company”) confirms, as announced on 6 September 2011, that the term of the contract with a major Telco in South Africa expired in August 2014.

The results of a market testing exercise by the Telco are still in the process of evaluation. The Company has been granted a 3 month contract extension at the price of the recently expired contract until this is completed, and will inform the market when the final outcome is known.
