ASX Announcement & Media Release

Additional information – Lifting of trading halt

FAR Limited (ASX: FAR) provides the following additional information further to the announcement late yesterday regarding the Senegal FAN-1 well results.

FAR received Operator's final interpretation of well data for the FAN-1 well during the weekend of 5 and 6 October. FAR implemented an ASX trading halt with effect from market open on Monday 6 October 2014 in order to complete preliminary analysis of well data and provide time to obtain joint venture and Government support to the content of the FAR ASX announcement comprising the well result information. Operator made a release on the London Stock Exchange at 7am (GMT) Tuesday 7 October. FAR lodged its release with ASX afterwards (5pm Tuesday 7 October).

The trading halt restricting trading in FAR's shares can now be lifted.
