IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the Annual General Meeting of the Shareholders to which this Notice of Meeting relates will be held at 11:00am WST on 26 November 2014 at:

Amberley Business Centre
3/1060 Hay St
West Perth WA 6005

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 4:00pm (WST) on 24 November 2014.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and

if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and

the appointed proxy is not the chair of the meeting; and

at the meeting, a poll is duly demanded on the resolution; and

either of the following applies:

- the proxy is not recorded as attending the meeting;
- the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (d) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – BRUCE LANE

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

Voting Exclusion: The Company will disregard any votes cast on this Resolution by any person who may participate in the issue of Equity Securities under this Resolution and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the Resolution is passed and any associates of those persons. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

DATED: 16 OCTOBER 2014

BY ORDER OF THE BOARD

**MATTHEW FOY
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

FINANCIAL STATEMENTS AND REPORTS – AGENDA ITEM

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2014 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.stonehengemetals.com.au>.

6. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

6.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

6.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

6.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

6.4 Proxy Restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

You ***do not*** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***the Proxy Form expressly authorises the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.*** The Chair currently intends to vote all undirected proxies on, and in favour of, this Resolution.

If you appoint any other person as your proxy

You ***do not*** need to direct your proxy how to vote on this Resolution.

7. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – BRUCE LANE

Clause 11.11 of the Constitution allows the Directors to appoint at any time a person to be a Director as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Clause 11.12 provides that any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Bruce Lane was appointed a Director on 6 May 2014 as part of a restructure of the Board to position the Company for its next stage of development.

Mr Bruce Lane will retire in accordance with clause 11.12 of the Constitution and being eligible seeks re-election. Details of Mr Lane's qualifications and experience are set out in the Company's 2014 Annual Report.

8. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – RICHARD HENNING

Clause 11.3 of Stonehenge's Constitution provides, subject to clause 13.39, at the Company's Annual General Meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, and any other Director not in such one-third who has held office for 3 years or more (except the Managing Director), must retire from office. Clause 11.4 provides that a retiring Director is eligible for re-election.

The Directors to retire at any annual general meeting must be those who have been longest in office since their last election but, as between persons who became Directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by lot.

The Company has four Directors, of which three are eligible for rotation. Accordingly, one Director must retire.

Mr Richard Henning, the Director longest in office since his last election, retires by rotation and seeks re-election. Details of Mr Henning's qualifications and experience are set out in the Company's 2014 Annual Report.

9. RESOLUTION 4 – REPLACEMENT OF CONSTITUTION

9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 4 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2006.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement; however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website www.stonehengemetals.com.au and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9486 4036). Shareholders are invited to contact the Company if they have any queries or concerns.

9.2 Summary of material proposed changes

(a) Preference Shares (clause 2.6)

Subject to shareholder approval at a general meeting, the Listing Rules and the Corporations Act, the Board may issue preference shares or convert Shares to preference shares in the Company.

A summary of the terms of the preference shares is as follows:

- (i) the preference share may have the right to convert into a Share;
- (ii) the preference share may include a right to receive dividends at a rate determined by the Board and may rank in priority over Shares for payment of dividends;
- (iii) the right to participate equally with Shares in the distribution of profits available for dividends;
- (iv) the right to payment in the event of winding up or on a reduction of capital may rank in priority to Shares;
- (v) there is no right to vote at Shareholder meetings unless:
 - (A) there are any dividends in arrears under the preference shares;
 - (B) the resolution relates to a reduction the share capital of the Company, a buy-back, the winding up the Company or a proposal to dispose of the whole of the property and business of the Company;
 - (C) the resolution affects the rights attaching to preference shares; or
 - (D) the meeting is held during the winding up of the Company.

Refer to Schedule 1 of the Proposed Constitution for the full terms of the preference shares.

(b) Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent a "less than a marketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "less than a marketable parcel" outlined in the Corporations Act such that where the Company elects to undertake a sale of less than marketable parcels, the Company is only required to give one notice to holders of a less than marketable parcel to elect to retain their shareholding before the less

than marketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with less than marketable parcels.

(c) Dividends (clause 21)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (i) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (ii) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (iii) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

(d) Deemed Receipt of Notice sent by post (clause 25.4)

A notice will be deemed to be received by a Shareholder on the date after its date of posting. In the current constitution, the deemed day of receipt of a notice is 3 days after the date of posting.

(e) Partial (proportional) takeover provisions (clause 35)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (v) proportional takeover bids may be discouraged;

- (vi) lost opportunity to sell a portion of their Shares at a premium; and
- (vii) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.

10. RESOLUTION 5 – APPROVAL OF 10% PLACEMENT CAPACITY– SHARES

10.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital over a period up to 12 months after the annual general meeting (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 5, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 10.2 below).

The effect of Resolution 5 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

10.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation (undiluted) of \$2,237,990, based on the number of Shares on issue as at the date of this Notice and the last trading price of Shares on ASX on 15 October 2014 of \$0.004.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: SHE).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

10.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 10.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking),

(10% Placement Capacity Period).

For the avoidance of doubt, approval granted under Resolution 5 will cease to be valid in the event that shareholders approve a transaction under ASX Listing Rule 11.1.2 or rule 11.2.

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.002 50% decrease in Issue Price	\$0.004 Current Issue Price	\$0.006 50% increase in Issue Price
559,497,693 (Current)	10% voting dilution	55,949,769 Shares	55,949,769 Shares	55,949,769 Shares
	Funds raised	\$111,900	\$223,799	\$335,699
839,246,540 (50% increase)	10% voting dilution	83,924,653 Shares	83,924,653 Shares	83,924,653 Shares
	Funds raised	\$167,849	\$335,699	\$503,548
1,118,995,386 (100% increase)	10% voting dilution	111,899,538 Shares	111,899,538 Shares	111,899,538 Shares
	Funds raised	\$223,799	\$447,598	\$671,397

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 15 October 2014.
2. The issue price set out above is the closing price of the Shares on the ASX on 15 October 2014.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
5. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 or 7.1A.
6. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares.
7. The calculations above do not show the dilution that any one particular Shareholder will be subject to by reason of placements under the 10% Placement Capacity. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
8. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised towards the ongoing costs associated with the maintenance and exploration of its existing projects and to investigate additional acquisitions to complement these projects. Funds raised will be used to meet cash payments for potential additional acquisitions, while also being used to fund subsequent exploration activities associated with the new acquisitions; or
- (ii) as non-cash consideration for the acquisition of new projects or otherwise as consideration for services rendered by non-related third parties to the Company, where it is considered appropriate by the board to do so. In such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

(e) **Allocation under the 10% Placement Capacity**

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous Approval under ASX Listing Rule 7.1A**

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a Proxy):** A member entitled to attend and cast a vote at an Annual General Meeting is entitled to appoint a proxy to attend and vote on their behalf at the meeting. If the member is entitled to cast 2 or more votes at the meeting, the member may appoint a second proxy to attend and vote on their behalf at the meeting. However, where both proxies attend the meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A member who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a member appoints 2 proxies and the appointments do not specify the proportion or number of the member's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a member of the Company.
2. **(Direction to Vote):** A member may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Voting Restrictions applying to Key Management Personnel):** If you appoint a member of the Key Management Personnel of the Company or one of their closely related parties as your proxy, that person will not be able to cast your votes on Resolution 1 unless you direct them how to vote, or the Chairman of the Meeting is your proxy. "Key Management Personnel" is defined in the Explanatory Memorandum and includes each of the Directors of the Company, all those executives named in the Company's 2014 Remuneration Report, and any other persons who are the Company's Key Management Personnel at the date of the Meeting.
4. **(Signing Instructions):**
 - (a) **(Individual):** Where the holding is in one name, the member must sign.
 - (b) **(Joint Holding):** Where the holding is in more than one name, all of the members should sign.
 - (c) **(Power of Attorney):** If you have not already provided the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.
 - (d) **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
5. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual members from attending the Annual General Meeting in person if they wish. Where a member completes and lodges a valid Proxy Form and attends the Annual General Meeting in person, then the proxy's authority to speak and vote for that member is suspended while the member is present at the Annual General Meeting.
6. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
