APPOINTMENT OF CONSULTANT AND COMPLETION OF PLACEMENT OF SHARES

Firestrike Resources Limited (ASX: FIE) (Company) is pleased to advise that the Directors have appointed Mr Brad Rosser a consultant to the Company.

Brad was educated at the University of Western Australia, winning the Hackett Studentship for scoring a first in accounting and finance. He graduated with an MBA with distinction from the prestigious Ivy League Cornell University. Brad is known as a business builder that has worked in a fast paced entrepreneurial environment at companies such as Bond Corporation, McKinsey and Co, Virgin and Unilever.

The Directors welcome Brad to the Firestrike team and look forward to working together.

On 10 October 2014, shareholders approved the placement of 42,500,000 shares at \$0.02 per share to raise \$850,000 before costs. The placement has now been finalised and the Appendix 3B is attached, which also includes the grant of 1.5m options, issued on the same terms as the existing listed options.

The Notice of Meeting sent to shareholders referred to DJ Carmichael Pty Limited acting as manager to part of the placement. This was incorrect, as DJ Carmichael acted in the role of introducer rather than manager, and introduced third party investors in an amount of \$500,000.

The Company has continued with a review of its existing projects and remains committed to the Copper Ridge Project in Utah, USA. There are no exploration commitments associated with this project so the annual holding costs are at a minimum.

As part of this review, the Directors have decided to surrender all the Western Australian exploration projects so as to reduce cash outgoings associated with rents and rates and in addition, eliminate the commitment to exploration expenditure required to maintain the exploration tenements.

Yours faithfully

Roger Steinepreis
Chairman
Firestrike Resources Limited
