Dear Dave,

Atrum Coal NL
Request for Voluntary Trading Suspension

We refer to the Atrum Coal NL (“**Atrum**” or the “**Company**”) application for a Trading Halt to be applied by ASX to all of the quoted securities of the Company effective 22 October 2014. We hereby request a voluntary suspension to be applied to all quoted securities of the Company, effective Friday 24 October 2014.

The Company is seeking a voluntary suspension pending the release of an announcement in relation to the funding strategy for the accelerated development of the Groundhog North Mine, part of the flagship Groundhog Anthracite Project, located in British Columbia, Canada.

The Company would like the voluntary suspension to last until the Company makes an announcement to ASX and it is expected that such an announcement will be made on or before pre-open on Tuesday 28 October 2014.

The Company is not aware of any reason why a voluntary suspension should not be granted.
