OTHER BUSINESS

To deal with any business that may be lawfully brought forward.

PROXIES

A Shareholder entitled to attend and vote at the Meeting has a right to appoint a proxy to attend and vote instead of the Shareholder. A proxy need not be a Shareholder and can be either an individual or a body corporate. If a Shareholder appoints a body corporate as a proxy that body corporate will need to ensure that it:

- a) appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
- b) provides the Company with satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If such evidence is not received before the Meeting, then the body corporate (through its representative) will not be permitted to act as proxy.

A Shareholder who is entitled to cast two (2) or more votes may appoint two (2) proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the Shareholder's votes. Fractions of votes will be disregarded.

In order to vote on behalf of a company that is a Shareholder, a valid Power of Attorney in the name of the attendee, must be either lodged with the Company prior to the Meeting, or be presented at the Meeting before registering on the attendance register for the Meeting.

Forms to appoint proxies, and the Power of Attorney (if any) under which they are signed, must be posted or lodged at the registered office of the Company, at Level 2, 38 Richardson Street, West Perth WA 6005, or PO Box 1412 West Perth WA 6872, or by facsimile to (61 8) 9322 6398, or by email to mrobbins@blackhamresources.com.au not less than 48 hours before the time of the Meeting or resumption of an adjourned meeting at which the person named in the instrument proposes to vote.

An instrument appointing a proxy:

- a) shall be in writing under the hand of the appointor or of his attorney, or if the appointor is a corporation, either under seal or under the hand of a duly authorised officer or attorney;
- b) may specify the manner in which the proxy is to vote in respect of a particular Resolution and, where an instrument of proxy so provides, the proxy is not entitled to vote on the Resolution except as specified in the instrument;
- c) shall be deemed to confer authority to demand or join in demanding a poll;
- d) shall be in such form as the Directors determine and which complies with section 250A of the Corporations Act; and
- e) which appoints the Chair as proxy but does not specify the way in which the proxy is to vote on a particular Resolution will be recorded as voting in favour of the Resolutions (subject to the other provisions of these notes on proxies and any required voting exclusions including those in the Notice) as this is the Chair's voting intention.

Corporations

A corporation may elect to appoint a representative in accordance with the Corporations Act in which case the Company will require written proof of the representative's appointment, which must be lodged with, or presented to, the Company before the commencement of the Meeting.

Proxies given by corporate Shareholders must be executed in accordance with their constitutions, or signed by a duly authorised attorney. A proxy may decide whether to vote on any motion, except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as proxy.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Proxy Restrictions

Shareholders (who are not a member of the Key Management Personnel details of whose remuneration are including in the Remuneration Report or a Closely Related Party of that member) appointing a proxy for Resolutions 1 and 5 should note the following:

If you appoint a member of the Key Management Personnel as your proxy

If you elect to appoint a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that member, you must direct the proxy how they are to vote. Undirected proxies granted to these persons will not be included in any vote on Resolutions 1 and 5.

If you appoint the Chair as your proxy

If you elect to appoint the Chair as your proxy, you do not need to direct the Chair how you wish them to exercise your vote on Resolutions 1 and 5 however if you do not direct the Chair how to vote, you acknowledge that the Chair may exercise his or her discretion in exercising your proxy even though Resolutions 1 and 5 are connected directly or indirectly with the remuneration of Key Management Personnel for the Company, or if the Company is part of a consolidated entity, for that entity.

The Chair intends to vote all undirected proxies in favour of Resolutions 1 and 5.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of Blackham Resources Limited in connection with the business specified to be conducted in the Notice of Annual General Meeting at the annual general meeting of Shareholders to be held at Level 2, 38 Richardson Street, West Perth, Western Australia 6005 at **11:30am WST** on **27 November 2014**.

The purpose of this Explanatory Memorandum is to provide information that the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

The Notice of Meeting, Explanatory Memorandum and Proxy Form are all important documents. The Directors recommend that Shareholders read them carefully in their entirety before making a decision on how to vote at the Annual General Meeting.

A Glossary of terms frequently used in this Notice of Meeting and Explanatory Memorandum can be found at the end of this Explanatory Memorandum.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the 2014 Financial Report together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report thereon.

The Company will not provide a hard copy of the 2014 Financial Report to Shareholders unless specifically requested to do so. The 2014 Financial Report is available on its website at www.blackhamresources.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING VOTE)

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Board or the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report at the two consecutive annual general meetings, the company will be required to put to shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**).

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the company's 2015 annual general meeting. All of the directors who were in office when the company's 2015 directors' report was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as directors is approved will be the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the 2014 Financial Report.

At the Company's previous annual general meeting, less than 25% of votes were cast against the remuneration report at that meeting. Accordingly the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR PAUL MURPHY

3.1 Background

Clause 11.12 of the Constitution requires that any Director appointed to fill a casual vacancy or as an addition to the Board, holds office until the next annual general meeting and is then eligible for election.

Mr Paul Murphy was appointed to the Board as Non-Executive Chairman on 22 July 2014. Mr Murphy retires by virtue of clause 11.12 of the Constitution and, being willing and eligible for election, seeks election. The profile of Mr Paul Murphy is set out in the 2014 Financial Report.

Directors' Recommendation

The Directors (other than Mr Paul Murphy) recommend that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR ALAN THOM

4.1 Background

Clause 11.3 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of three (3), then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of three (3) years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 11.3 of the Constitution is eligible for re-election. The Company currently has four (4) Directors and accordingly one (1) must retire by rotation.

Mr Alan Thom retires by rotation in accordance with the Constitution and, being willing and eligible for re-election, seeks re-election. The profile of Mr Alan Thom is set out in the 2014 Financial Report.

Directors' Recommendation

The Directors (other than Mr Alan Thom) recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY - SHARES

5.1 Purpose of resolution

The purpose of this special resolution is to authorise the Directors to seek Shareholder approval to allow it to issue a further 10% of the Company's issued share capital under Listing Rule 7.1A during the 10% Placement Period in addition to and without using the Company's 15% placement capacity under Listing Rule 7.1.

This effectively gives the Directors a 25% placement capacity less that part of its placement capacity not available under Listing Rule 7.1.

5.2 General information

Listing Rule 7.1A came into effect on 1 August 2012 and enables "eligible entities" to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting if the Equity Securities are in an existing quoted class of the Company's securities ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement annual capacity under Listing Rule 7.1.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility during the period up to 12 months after the Meeting. As Resolution 4 is a special resolution 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

If Shareholders approve Resolution 4 the exact number of Equity Securities that may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to 5.3 (c) below).

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon the issue of any Equity Securities under the 10% Placement Facility.

5.3 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting, which is in addition to its 15% annual placement capacity.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of Equity Securities, namely Shares.

(c) Formula for calculating Additional 10% Placement Facility

Listing rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(a \times d) - e$$

a is the number of shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% annual placement capacity without shareholder approval;
- (iv) less the number of fully paid shares cancelled in the 12 months.

*Note that **A** has the same meaning in Listing Rule 7.1 when calculating an entity's 15% annual placement capacity.*

d is 10%

e is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 118,939,533 Shares and therefore has a capacity to issue:

- (i) 15% or 17,840,930 Equity Securities under Listing Rule 7.1; and
- (ii) 10% or 11,893,953 Equity Securities subject to Shareholder approval being sought under this Resolution 4 under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities, or the agreement date, in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to 5.3(c) above).

(e) **Information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the below information is provided in relation to the approval of the 10% Placement Facility:

Minimum Price

The issue price of the new Equity Securities will be no lower than 75% of the VWAP for the relevant class of securities calculated over the 15 Trading Days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 Trading Days of the date above, the date on which the Equity Securities are issued.

Date of Issue

The Equity Securities may be issued under the 10% Placement Facility commencing on the date of the Meeting and expires on the earlier to occur of:

- the date that is 12 months after the date of this Meeting; or
- the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Risk of economic and voting dilution

If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below.

Shareholders should note that there is a risk that:

- the market price for the Equity Securities to be issued may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.
- a) Any issue of Equity Securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any Shares under the issue. If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Facility, the economic and voting dilution of existing Shares would be as shown in the table below.
- b) The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice, assuming the full 10% dilution.
- c) The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Facility.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.068 50% decrease in Issue Price	\$0.135 Issue Price	\$0.203 50% increase in Issue Price
Current Variable A 118,939,533 Shares	Shares issued	11,893,953 Shares	11,893,953 Shares	11,893,953 Shares
	Funds raised	\$802,842	\$1,605,684	\$2,408,526
50% increase* in current Variable A 178,409,300 Shares	Shares issued	17,840,930 Shares	17,840,930 Shares	17,840,930 Shares
	Funds raised	\$1,204,263	\$2,408,526	\$3,612,788
100% increase* in current Variable A 237,879,066 Shares	Shares issued	23,787,907 Shares	23,787,907 Shares	23,787,907 Shares
	Funds raised	\$1,605,684	\$3,211,367	\$4,817,051

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued under Listing Rule 7.1.

The table has been prepared on the following assumptions:

- The current Shares on issue are the Shares on issue at 13 October 2014.
- The issue price set out above is the closing price of the Shares on the ASX on 13 October 2014.
- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility hence the voting dilution is shown in each example as 10%.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances, and if necessary seek advice from their professional advisers.
- No unlisted options of the Company are exercised into Shares before the date of issue of the Equity Securities.

- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, and not dilution under the 15% placement capacity under ASX Listing Rule 7.1, under ASX Listing Rule 7.2, or Shareholder approvals under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.

Purpose of issue under 10% Placement Facility

The Company may seek to issue the Equity Securities for the following purposes:

- as cash consideration, in which case the Company intends to use the funds raised towards continued exploration and development of the Company's Matilda Gold Project and its other projects, the evaluation and acquisition of new opportunities and general working capital; or
- as non-cash consideration for the acquisition of new resources assets and other investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

Allocation under the 10% Placement Facility

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the alternative methods of raising funds that are available to the Company, including but not limited to, an entitlement issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including but not limited to the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders, who are not related parties of the Company or their associates.

Previous Approval under ASX Listing Rule 7.1A

The Company last obtained Shareholder approval under Listing Rule 7.1A at its Annual General Meeting held on 30 November 2012.

Voting Exclusive

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not invited any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' Recommendation

The Directors consider that the approval of the issue of the 10% Placement Facility described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of securities permitted under ASX Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should it be required and which will be in addition to, and without using, the Company's 15% annual placement capacity. At the date of the Notice, the Company has no plans to use the 10% Placement Facility should it be approved. Accordingly the Directors recommend that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – APPROVAL OF ISSUE OF DIRECTOR OPTIONS TO MR PAUL MURPHY

6.1 Background

Resolution 5 seeks the approval of Shareholders for the issue of 2,000,000 Director Options to Mr Paul Murphy and/or his nominee(s) on the following terms:

The Director Options have an expiry date on or before 5.00pm WST on the date that is 3 years less one day following the date of issue at an exercise price of \$0.50 per option.

Shareholder approval of the grant of the Director Options the subject of Resolution 5 is sought for the purposes of:

- 1) Part 2E.1 of the Corporations Act, which governs the giving of financial benefits to directors and other “related parties” of a company; and
- 2) ASX Listing Rule 10.11, which provides that, subject to certain exceptions (none of which are relevant here), a company must not issue or grant securities to a director without shareholder approval.

The object of Resolution 5 to provide the Directors with a mechanism to participate in the future development of the Company and an incentive for their future involvement with and commitment to the Company. The Directors believe that the success of the Company in the future will depend in large, upon the skills of the people engaged to manage the Company's operations. Accordingly it is important that the Company is able to attract and retain people of the highest calibre. The Directors consider that the most appropriate means of achieving this is to provide directors with an opportunity to participate in the Company's future growth and an incentive to contribute to that growth.

If Shareholder approval is obtained for Resolution 5, the Director Options will be granted within one month of Shareholder approval.

6.2 Terms of Director Options

Subject to Shareholder approval, the Director Options will be granted on the terms and conditions set out in Annexure “A” to this Explanatory Memorandum.

6.3 Part 2E.1 of the Corporations Act

Part 2E.1 of the Corporations Act prohibits the Company from giving financial benefit to a “related party” of the Company (such as a Director) unless either:

- a) the giving of the financial benefit falls within one of the nominated exceptions to the relevant provisions of the Corporations Act; or
- b) prior Shareholder approval is obtained to the giving of the benefit.

For the purposes of Part 2E.1, Mr Paul Murphy (and/or his nominee(s)) is considered to be a related party of the Company and, therefore, the proposed grant of Director Options to him (and/or his nominee(s)) requires prior Shareholder approval.

Other Information

The annual remuneration package including any superannuation and non-cash benefits payable to Mr Murphy is as follows:

Director	Remuneration (p.a)	Estimated value of Director Options to be issued (see Annexure “B” for details)
Paul Murphy	\$60,000	\$98,074

The following table sets out Mr Murphy's beneficial interest in the securities of the Company:

Director	Current Ordinary Shares (*)	Proposed Ordinary Shares (**)
Paul Murphy	7,361,809	9,361,809

(*) Majority of shares (7,351,809) held by HSBC Custody Nominees (Australia) Pty Ltd as beneficiary for Maree Winifred Wilson. Paul Murphy retains a power of attorney over these shares.

(**) Assuming Shareholders approve the issue of the Director Options to Mr Murphy that are the subject of Resolution 5 and all Director Options are exercised.

In accordance with the requirements of Part 2E.1 and, in particular, sections 219 and 221 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided to Shareholders to allow them to assess the proposed grant of Director Options:

- being a Director, Mr Murphy is a related party of the Company to whom the financial benefit would be given by virtue of section 228(2)(a) of the Corporations Act (or in the case of their respective nominee(s), section 228(4) of the Corporations Act);
- the nature of the financial benefit to be given is the grant of a maximum of 2,000,000 Director Options to Mr Murphy on the terms set out in Annexure "A" to this Explanatory Memorandum;
- the Director Options will be issued within one month of the date of the Meeting;
- Mr Murphy is not entitled and does not wish to make a recommendation to Shareholders regarding Resolution 5 on the basis that he has an interest in the outcome of the Resolution;
- other Directors recommend that Shareholders vote in favour of Resolution 5;
- the Director Options are to be granted for nil consideration and therefore no funds will be raised from their issue;
- an estimate of the value of the Director Options is set out in Annexure "B" to this Explanatory Memorandum;
- neither the Directors nor the Company are aware of any other information that would be reasonably required by Shareholders to make a decision as to whether it is in the best interests of the Company to pass the Resolution other than as follows:
 - (a) if the Director Options the subject of Resolution 5 are granted and exercised, then the Company's fully paid share capital (based on the existing number of Shares) will be diluted by 1.7%;
 - (b) the Directors consider that the incentive represented by the grant of Director Options is a cost effective and efficient incentive when compared to other forms of incentive such as cash, bonuses or increased remuneration;
 - (c) the primary purpose of the grant of Director Options is to provide an incentive to Mr Murphy. Given this purpose, the Directors do not consider that there is any opportunity cost or benefit foregone to the Company in granting the Director Options that are the subject of Resolution 5 (other than as set out below); and
 - (d) the Board has examined carefully the individual remuneration packages of Directors to determine the fairness and reasonableness of the remuneration package. As part of the examination, the Board has reviewed the remuneration packages of industry executives and non-executives in similar roles; and
 - (e) the Board acknowledges that the grant of Director Options to Mr Murphy is contrary to Recommendation 8.3 of the ASX Corporate Governance Principles and Recommendations.

However the Board considers the grant to Mr Murphy is appropriate in the circumstances for the reasons set out below:

- Based on the examination, the Board has concluded that the totality of Mr Murphy's remuneration package, including the equity component of 2,000,000 Director Options now to be considered for approval by Shareholders, is fair and reasonable in the circumstances of the Company given its size and stage of development, market practice of other companies in the mineral exploration industry and given the necessity to attract and retain the highest calibre of skilled professionals to the Company whilst maintaining the Company's cash reserves, and in light of Mr Murphy's management experience and knowledge of the mineral exploration industry.
- The Directors do not consider that there are any opportunity costs to the Company or benefits forgone by the Company in respect of the proposed issue of Director Options pursuant to Resolution 5, other than, if the Director Options are exercised when the market price of the Shares is greater than the exercise price of the Director Options, there will be a detriment insofar as the Company will be required to issue Shares at a price lower than it might otherwise have been able to, with the

result that less funds will be raised. Any funds raised from the exercise of Director Options will supplement the Company's working capital requirements.

The latest available price of Shares quoted on the ASX prior to the date of this Notice of Meeting on 13 October 2014 was \$0.135. The highest price for Shares trading on the ASX over the last 12 months was \$0.255 and the lowest price in that period was \$0.12.

Directors' Recommendation

Mr Murphy declines to make a recommendation to Shareholders in relation to Resolution 5 due to his personal interest in the outcome of the Resolution. The other Directors, who do not have an interest in the outcome of Resolution 5, recommend that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – RATIFICATION OF SHARES ISSUED TO CONSULTANTS AND SUPPLIERS

7.1 Background

The Company has engaged consultants to assist with raising the profile of the Company and to the raising of funds for the Company. They also had contractual arrangements in place with suppliers for project and contract work for the Matilda Gold Project.

Resolution 6 seeks the approval from the Shareholders for the ratification of the issue of 326,580 Shares to consultants and suppliers in lieu of payment for consultancy fees and project related services. The Shares were issued on 16 September to the relevant consultant (80,641 Shares @ \$0.155 per share) and supplier (245,939 Shares @ \$0.21 per share).

7.2 ASX Listing Rule 7.4

ASX Listing Rule 7.4 provides that the approval of holders of the company's ordinary securities may be obtained after the issue of equity securities. The effect of such ratification is to restore the company's discretionary power to issue further securities up to 15% of the number of fully paid ordinary securities on issue at the beginning of the relevant 12 month period without obtaining shareholder approval.

The following information is provided for the purpose of ASX Listing Rule 7.4.
