

QUARTERLY ACTIVITIES REPORT FOR THE PERIOD ENDING 30 SEPTEMBER 2014

OPERATIONAL

As per the previous quarter Vatovorona in Madagascar remained on a care and maintenance program to preserve the project and maintain security.

FINANCE & CORPORATE

Transaction with Cascade Resources Limited

On 26 September 2014 Torian Resources Limited (ASX: TNR) announced it had received confirmation from Cascade Resources Limited (Cascade) of its completion of satisfactory due diligence on Torian.

Torian's due diligence, as well as the necessary transaction documentation, is ongoing and nearing completion. In addition, Torian is in the process of finalising the appointment of brokers to the prospectus offering that will form part of the transaction.

Detailed information on the acquisition can be found in the Company's ASX releases and on the website.

Existing Projects

On 18 August Torian announced an amendment of the sale agreement with Elsmore Resources Limited (Elsmore) as a result of ongoing delays in effecting the transfer of the tenements. The terms of the amendment allowed Torian to enter into a new sale agreement with Aduro Diamonds Pty Ltd for the Copeton tenements. The shares previously issued by Elsmore were retained as consideration for the Queensland tenements.
