MACA Awarded Civil Works Projects

MACA Limited ('MACA') (ASX: 'MLD') is pleased to announce that over the last three months its fully owned subsidiary, MACA Civil Pty Ltd, has been awarded three civil works projects.

Main Roads Western Australia ('MRWA') Projects

MACA Civil has been selected by Main Roads Western Australia ('MRWA') as the contractor for the following two projects.

The Marble Bar Road Upgrade. This project is a construct only and schedule of rates contract. The works are expected to commence in November 2014 and will extend over a period of 8 months, with the initial contract value being approximately \$9.5 million.

The North West Coastal Highway, Manilya to Mia Mia section. This project is a construct only and schedule of rates contract. The works are expected to commence in December 2014 and will extend over a period of 10 months, with the initial contract value being approximately \$25.4 million.

Brockman Access Road Contract for Rio Tinto

Further to the above works MACA Civil has also been awarded the Brockman 2 to Brockman 4 access road for Rio Tinto Limited in the Pilbara region. The works commenced in August 2014 (in joint venture with GLH – an indigenous contracting business) and will extend over a period of 6 months, with the initial contract value being approximately \$13 million.

MACA's Managing Director, Chris Tuckwell said "We are delighted to have been awarded civil works contracts with both the MRWA and Rio Tinto. We are pleased to win repeat business from our existing clients. These contracts increase the work in hand position for MACA Civil by a further \$43 million for FY15 and continues the ongoing growth of our Civil business."
