### **ABOUT NUHEARA**

Nuheara is a global leader in smart personal hearing devices which change people's lives by enhancing the power to hear. Nuheara has developed proprietary and multi-functional intelligent hearing technology that augments a person's hearing and facilitates cable free connection to smart devices. Nuheara is headquartered in Perth, Australia and was the first consumer wearables technology company to be listed on the Australian Stock Exchange (ASX).

In 2016, the Company released its revolutionary wireless earbuds, IQbuds, which allow consumers to augment their hearing according to their personal hearing preferences and connect hands free with their voice-enabled smart devices. In 2020 Nuheara released its third generation IQbuds<sup>2</sup> MAX. Nuheara products are now sold Direct To Consumer (DTC) and in major consumer electronics retailers, professional hearing clinics, pharmacies and optical chains around the world. The Company's mission is to transform the way people hear by creating smart hearing solutions that are both accessible and affordable.
