21 October 2020

### Clarification of Adecco contract announcement

**Nvoi Ltd** (ASX: NVO) wishes to clarify its announcement of a new framework agreement with Adecco Group made 13 October 2020.

The recruitment website management and support services to be provided by JXT comprise management and support of recruiter specific websites, job board functionality, content management systems, data management, hosting and integrations, all with unique configurations by region.

Adecco is a global leader in the staffing industry and recruitment market. The new contract is significant for Nvoi as it demonstrates that there is demand for the JXT product and it validates Nvoi's ability to serve its target market, which includes global staffing agencies. As a stand-alone contract, Nvoi does not consider the fee for the agreed services is material in the context of its overall operations and the strong pipeline of major new and renewing contracts on the short-term horizon.

This announcement was approved for release to ASX by Nvoi's Board of Directors.
