Request for Voluntary Suspension

Dear James

Pursuant to ASX Listing Rule 17.2, Triple Energy Limited (ASX: **TNP, Triple or Company**) requests that a voluntary suspension be applied to the Company's securities, effective immediately.

As disclosed in the Company's 2020 Annual Report, the Company is engaged with key stakeholders and with investors introduced by its Hong Kong and mainland China-based shareholders in relation to potential new investment for both near-term capital requirements and longer-term strategic growth and funding initiatives. Engagement and discussions with key stakeholders remains ongoing, however the Company is not currently in a position to make any announcement on the outcome (or expected outcome) of the discussions. The Company requests the suspension remain in effect until such an announcement is made.

The Company is not aware of any reason why the suspension should not be granted.

On behalf of the Board

Alex Neuling, Company Secretary.
