The Board is closely monitoring the rapidly changing coronavirus (COVID-19) pandemic. The health of the Company's Shareholders, employees and other stakeholders is of paramount importance.

Accordingly, the Directors strongly encourage all Shareholders to lodge Proxy Forms prior to the Meeting.

The Board will continue to monitor Australian Government restrictions on public gatherings. If it becomes necessary or appropriate to make alternative arrangements to those set out in this Notice, the Company will notify Shareholders accordingly via the Company's website at http://www.podiumminerals.com and the ASX announcement platform.

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 10am (WST) on 28 November 2020.

Shareholders should read the Notice including the Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

The health and safety of members and personnel, and other stakeholders, is the highest priority and the Company is acutely aware of the current circumstances resulting from COVID-19.

Based on the best information available to the Board at the time of the Notice, the Board considers it will be in a position to hold an 'in-person' meeting to provide Shareholders with a reasonable opportunity to participate in and vote at the Meeting, while complying with the

COVID-19 restrictions regarding gatherings. The Company, however, strongly encourages Shareholders to submit proxies prior to the Meeting.

If the situation in relation to COVID-19 were to change in a way that affected the position above, the Company will provide a further update ahead of the Meeting by releasing an ASX announcement.

To vote in person, attend the Meeting on the date and at the place set out above.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited to attend the Meeting or sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person. Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and
- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution the proxy must not vote on a show of hands;
- (iii) if the proxy is the Chair of the meeting at which the resolution is voted on the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the Chair the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (v) the appointed proxy is not the chair of the meeting;
- (vi) at the meeting, a poll is duly demanded on the resolution; and
- (vii) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The Chair intends to exercise all available proxies in favour of all Resolutions unless the Shareholder has expressly indicated a different voting intention.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1 by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

However, a person described above may cast votes on Resolution 1 if the vote is not cast on behalf of a person who is excluded from voting on the relevant Resolution and:

- (a) the person is appointed as proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (b) the person is the Chair and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution, but expressly authorises the Chair to exercise the proxy even if the Resolution is connected with the remuneration of a member of the Key Management Personnel.

Article 11.2 of the Constitution and Listing Rule 14.5 both require an election of Directors at each annual general meeting of the Company.

Article 11.3(c) of the Constitution further requires that one third of the Directors (excluding the Managing Director) must retire at each annual general meeting (or if that is not a whole number, the whole number nearest to one third, rounded down).

Article 11.3(e) of the Constitution provides that the Directors to retire under Article 11.3(c) are those who have held their office as a Director for the longest period since their last election or appointment to that office. Article 11.3(f) of the Constitution provides that a Director who retires in accordance with Article 11.3(c) is eligible for re-election.

Mr Gilmour was last elected at the annual general meeting held on 30 November 2017 and has held office the longest since being last elected. Accordingly, Mr Gilmour retires by rotation at this Meeting and, being eligible, seeks re-election pursuant to Resolution 2.

If elected, Mr Gilmour is considered to be an independent Director.

He is a professional process engineer with over 35 years' experience in Australia, Asia and Africa and specialises in commissioning and process start-up of large-scale resource projects. Mr Gilmour has no other public company directorships.

Mr Gilmour is not considered by the Company to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect, his ability to bring an independent judgement to bear on matters before the Board and to act in the best interests of the Company as a whole rather than the interests of an individual security holder or other party.

The effect of Resolution 3 will be to allow the Directors of the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in the Listing Rules 7.1 and 7.1A during the 10% Placement Period without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the 10% Placement Facility to issue Equity Securities without Shareholder approval provided

for in Listing Rule 7.1A. The Company will therefore remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6				
	Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided relation to the 10% Placement Facility:			
	(a)			
		The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).		
	(b)			
		Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).		
	(c)			
		The Company may seek to issue Equity Securities under the 10% Placement Facility for cash consideration in order to raise funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.		

Shareholders should note that there is a risk that:

- the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The below table shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 7.2(c) above) as at 13 October 2020 (

- (iii) two examples where Variable A has increased, by 50% and 100%; and
- (iv) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Notes:

- 1 The table has been prepared on the following assumptions:
 - (a) the issue price is the current market price \$0.07, being the closing price of the Shares on ASX on 12 October 2020, being the latest practicable date before finalising this Notice;
 - (b) Variable A comprises 258,624,551 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4;
 - (c) the Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
 - (d) no convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities; and
 - (e) the issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The number of Shares on issue (ie Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

- **4** The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the following factors including but not limited to:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

The Company obtained Shareholder approval under Listing Rule 7.1A at its previous annual general meeting, held on 29 November 2019.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has issued or agreed to issue 15,944,183 Equity Securities under Listing Rule 7.1A. This represents 16.87% of the total number of Equity Securities on issue at the commencement of that 12 month period.

Details of each issue of Equity Securities under Listing Rule 7.1A by the Company during the 12 months preceding the date of the Meeting are set out in Schedule 2.

At the date of the Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of the Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6 4	
	Resolution 3 is a and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).
	The Board recommends that Shareholders vote in favour of Resolution 3.

For your proxy appointment to be effective it must be received by 10:00am (WST) on Saturday, 28 November 2020.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
