## 1. HIGHLIGHTS

- Polaris has largely completed the works towards the satisfaction of its Farm-In Obligations for the Marillana Project, including but not limited to a drilling and metallurgical test work program, which will assist the determination of a detailed design of the Marillana processing plant. Polaris is currently preparing a detailed report for Brockman.

## 2. PROJECT ACTIVITIES

### Exploration Activities

#### Marillana

Brockman Iron Pty Ltd (Brockman Iron) and Polaris Metals Pty Ltd (Polaris) entered into a farm-in and joint venture agreement (FJV Agreement) pursuant to which subject to the terms and conditions therein, Polaris may farm-in by satisfying the farm-in obligations and earn a 50% interest in the Marillana Project. For details of the transaction please refer to the Company's announcement dated 26 July 2018.

The FJV Agreement became Unconditional on 21 January 2019, marking the commencement of the Farm-in Period. During the Farm-In Period, Polaris shall perform its Farm-in Obligations on the Marillana Project, which includes a diamond core drilling program commenced in December 2019 and metallurgical test work. The testwork has confirmed the Brockman process flow sheet but with improved yield due to additional recovery of product from the -1mm fines material that was not included in the Brockman flow sheet. Upon Polaris satisfying the Farm-in Obligations, the Joint Venture shall be established (Farm-in Date) and the Farm-in Interest will be transferred to Polaris. The Farm-in Obligations were largely completed during the quarter and Polaris is currently compiling a detailed report for Brockman outlining the results of its activities.

The Joint Venturer and a subsidiary of MRL (SPV) have also entered into the Mine to Ship Services Agreement (MSA) on 21 January 2019 for the transport of the Marillana iron ore product from the mine site to Port Hedland and loaded onto ships for export. The MSA is

subject to several conditions precedent including execution of an agreement with the State of Western Australia, procuring all the necessary leases and licenses, MRL and SPV obtaining the finance to fund the construction and commissioning of the infrastructure and MRL's board making a final capital investment decision to proceed with the infrastructure project.

#### Ophthalmia

No significant activities were carried out during the quarter.

#### Regional development

There was no field work carried out on the regional exploration projects.

#### Mining Production and Development Activities

No mining production and development activities, including expenditure has been undertaken or recognised for the quarter.

## Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
