CLEANSING NOTICE UNDER SECTION 708A(12C)(e) OF THE CORPORATIONS ACT

This cleansing notice (**Cleansing Notice**) is given by Allegiance Coal Limited (ASX:AHQ) (**Company**) under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) (**Corporations Act**) (as notionally inserted by ASIC *Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82*).

The Company advises that it has today issued 1,150,000 convertible notes. The convertible notes were issued without disclosure to investors under Part 6D.2 of the Corporations Act.

The purpose of this Cleansing Notice is to enable the shares that may be issued on any future conversion of the convertible notes to be on-sold to retail investors without further disclosure.

This Cleansing Notice is an important document and should be read in its entirety. Neither ASIC nor ASX takes any responsibility for the contents of this Cleansing Notice.

1. Background

The Company announced on 31 July 2020 that it is proposing to undertake a capital raising by the issue of convertible notes (**Convertible Notes** or **Notes**) to Mercer Street Global Opportunity Fund, LLC (or its nominee) (**Noteholder**) to raise up to \$8 million (before costs) as follows:

- (a) an initial issue of 772,105 Notes issued under the Company's Listing Rule 7.1. placement capacity (**Tranche 1 Convertible Notes**) upon the receipt of \$661,804.19 from the Noteholder, which completed on 5 August 2020;
- (b) an issue of 1,561,228 Notes following Shareholder approval (**Tranche 2 Convertible Notes**) upon the receipt of \$1,338,195.81 from the Noteholder, which completed on 24 September 2020; and
- (c) subsequent issues of up to 6,900,000 Notes (in total) subject to any required Shareholder approval (**Tranche 3 Convertible Notes**) upon the receipt of \$6,000,000 from the Noteholder. Shareholder approval was received at a general meeting held on 21 September 2020.

The Company has today issued 1,150,000 Tranche 3 Convertible Notes to the Noteholder following receipt of \$1 million from the Noteholder.

The terms of the Notes are in the Convertible Notes Agreement (**Agreement**) executed by the Company and the Noteholder.

The Directors of the Company (**Directors**) consider that the entry into the Agreement and the issue of the Notes is in the best interests of Shareholders as it provides funding for the Company's near term general corporate and working capital purposes.

3.3 Potential effect on capital structure

The capital structure of the Company as at the date of this Cleansing Notice is set out below:

The Notes are convertible into Shares based on the conversion formula in Section 4 below. The number of Shares issued to the Noteholder will therefore depend on a number of factors, including whether the Noteholder elects to convert the Notes, or the Company elects to repurchase the Notes, or in the event the Noteholder has not notified the Company in writing prior to the maturity date that they will be converting the Notes, the Company is to pay in full to the Noteholder the face value of the Notes.

The table below shows the potential effect of the conversion of all Notes on issue (including the Tranche 3 Convertible Notes issued today), as at the date of this Cleansing Notice, based on a floor price for the conversion of \$0.03.

Fractions have been rounded up to the nearest Share.

4. Rights and liabilities attaching to the Notes

The following is a broad summary of the rights, privileges and restrictions attaching to the Convertible Notes.

The summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of the Noteholder.

Face Value	\$1.00 per Note
Issue Date of Tranche 3 Notes the subject of this cleansing notice	30 October 2020
Investments	Subject to the satisfaction or waiver of the relevant closing conditions, the Noteholder will subscribe for the Notes as follows:

	• on the date that is 5 business days after satisfaction or waiver of the closing conditions in respect of the Tranche 1 Convertible Notes, the Noteholder advance the sum of approximately \$661,804 to the Company (First Investment Amount). In consideration, the Company will issue the Noteholder 772,105 Tranche 1 Convertible Notes, which occurred on 5 August 2020; • on the date that is 5 business days after satisfaction or waiver of the closing conditions in respect of the Tranche 2 Convertible Notes, the Noteholder advance the sum of approximately \$1.34 million to the Company (Second Investment Amount). In consideration, the Company will issue the Noteholder such number of certificated Convertible Notes with an aggregate face value equal to 115% of the relevant Subsequent Investment Amount so advanced (i.e. up to 6,900,000 Tranche 3 Convertible Notes). The Investor has made a Subsequent Investment Amount of \$1 million and accordingly the Company has issued the Noteholder 1,150,000 Convertible Notes (the subject of this Cleansing Notice).
Exclusivity	During the term of the Agreement, the Company must not enter into any agreement with a third party: • for the issue or sale of any debt or equity securities that are convertible into Shares; or • any securities in a capital or debt raising transaction or series of related transactions which grant to an investor the right to receive additional securities based upon future transactions of the Company. However the Company is not restricted from undertaking a rights issue, share purchase plan, raising money through placements of Shares or security issues at a fixed price per Share not in the nature of an on-going equity line arrangement. In addition, the Company must not undertake any capital raising (including rights issue, share purchase plan or placement), at a fixed price per Share which is lower than the lowest Conversion Price that could be selected by the Noteholder at that time (assuming the date of announcing the capital raising is deemed to be the date of issue of the relevant Conversion Notice for the purpose of calculating the Conversion Price), without the prior written approval of the Noteholder.

Closing Conditions	In summary, the payment of the investments are subject to the satisfaction of the following conditions: • Company to ensure the issue of the Notes would not cause the voting power in the Company of the Noteholder and its associates (Relevant Interest) to exceed 4.99%, unless the Noteholder gives its written consent to the Company that the Noteholder's Relevant Interest may exceed 4.99% but will not exceed 9.99%; • the Noteholder will not acquire a relevant interest in Shares which causes the voting power to exceed 19.99%; • the Company obtain Shareholder approval to issue the Tranche 2 Convertible Notes and Tranche 2 Establishment Fee Shares (received on 21 September 2020); • the Company to deliver a general security deed executed by the Company and a priority deed in relation to the Convertible Notes; • the payment of the Subsequent Investment Amount and issue of the Tranche 3 Convertible Notes is conditional on the completion of the payment of the First and Second Investment Amounts and the issue of the Tranche 1 and Tranche 2 Convertible Notes and Tranche 1 and Tranche 2 Establishment Fee Shares; • the Company's representation and warranties made in the Agreement is true and correct; • Company to obtain all authorisations, consents, permits and approvals as necessary; • the Company to deliver a copy of the resolutions duly adopted by the board of directors of the Company and all relevant and additional documents, certificates and payments to the Noteholder; • no Event of Default has occurred and any offer for sale by the Noteholder does not and will not need disclosure under Part 6D.2 of the Corporations Act and will not result in a breach of the Listing Rules or other relevant and applicable law; • the Company has performed and complied in all respects with all the agreements and covenants required by the Agreement; • ASX has not indicated that quotation of the Shares on ASX will not be granted; and • the Company lodges a cleansing notice and cleansing statement in relation to the Tranche 1 Tranche 2 and Tranche 3 Convertible Notes and Tranche 1 and Tranche 2 Establishment Fee Shares. The closing conditions are for the benefit of the Noteholder and may be waived by the Noteholder in its absolute and sole discretion by providing written notice to the Company.
----------------------------------	--

Conversion	• Subject to the below, the Noteholder may, at its election, convert one or more of the Tranche 1, Tranche 2 or Tranche 3 Convertible Notes (together the Convertible Notes) into Shares by delivering a conversion notice to the Company at any time prior to the Maturity Date. • The conversion price in respect of the Tranche 1 Convertible Notes and Tranche 2 Convertible Notes, is the lower of: ○ \$0.10; or ○ 92% of the lowest daily volume weighted average market price (VWAP) of the Shares during the preceding 10 trading days immediately before the holder giving a conversion notice, subject to the conversion price being not less than \$0.03. • The conversion price in respect of the Tranche 3 Convertible Notes, is the lower of: ○ \$0.15; or ○ 90% of the lowest daily VWAP of the Shares during the preceding 10 trading days immediately before the holder giving a conversion notice, subject to the conversion price being not less than \$0.03. • Each conversion notice must specify how many Convertible Notes the Noteholder elects to convert and must be at least for a face value in an amount equal to or greater than \$25,000 (unless the remaining face value of the Convertible Notes on issue is less than \$25,000). • For the avoidance of doubt, the Company has no right to require the Noteholder to convert any Convertible Notes at any time.
Maturity	• The maturity date for the Tranche 1 Convertible Notes, Tranche 2 Convertible Notes and Tranche 3 Convertible Notes is 12 months after the relevant issue date. • The Company must repay the face value of the Convertible Notes in the event the Convertible Notes are not converted prior to the maturity date.
Repurchase	• The Company may at any time, elect to repurchase all of the outstanding Convertible Notes on issue at any time by delivering a repurchase notice to the Noteholder (Repurchase Notice) provided that: ○ the Company is at all times in compliance with its obligations under the Agreement; ○ there is no existing Event of Default; and

	○ the Noteholder has not issued a Conversion Notice in respect of the Convertible Notes. ● If the Company delivers a Repurchase Notice to the Noteholder, the Repurchase Notice must specify how many Convertible Notes the Company has elected to repurchase (Repurchased Securities) and the repurchase price as determined by multiplying the face value of the repurchased Convertible Notes by 1.03. ● Upon receipt of a Repurchase Notice, the Noteholder has the ability to elect to convert up to 30% of the Repurchased Securities set out in the Repurchase Notice by delivering a conversion notice to the Company setting out the number of Repurchased Securities its wishes to convert (Noteholder Further Conversion Securities), within 4 business days of receipt by the Noteholder of the Repurchase Notice. ● If the Noteholder elects to convert the Repurchased Securities, the Repurchase Notice issued by the Company is automatically amended to reduce the Repurchased Securities by the number of Noteholder Further Conversion Securities.
Mandatory Repayment	If: ● the Noteholder has not notified the Company in writing by 5.00pm on the day that is 10 business days prior to the relevant Maturity Date that it will be converting the relevant Convertible Notes (in whole or in part), to the extent not already converted or repurchased prior to the relevant Maturity Date, the Company is to pay in full to the Noteholder of the Convertible Notes the face value of the Convertible Notes, within 20 business days of the Maturity Date; ● an Event of Default occurs after the Company has received 10 business days written notice (Notice of Default) from the Noteholder setting out the details of the Event of Default and requiring repayment of the Convertible Notes, the Company must repay the outstanding Convertible Notes held by the Noteholder together with any accrued by unpaid interest at the date of such Repayment as from the date of service of the Notice of Default, within 10 business days after the Notice of Default; or ● a takeover bid or scheme of arrangement occurs, or the Company's Shares are no longer quoted on ASX or are suspended for a period of 20 consecutive business days, the Company must immediately give the Noteholder written notice of the occurrence of that event. In such circumstances, the Noteholder may require repayment by the Company of some or all of the Convertible Notes by giving written notice to the Company (Noteholder Repayment Notice) no later than 20 business days after the date of the notice issued by the Company. Repayment of the outstanding Convertible Notes must occur 5 business days after

	the date of the Noteholder Repayment Notice is given by the Noteholder to the Company.
Security	The Convertible Notes are issued as a secured debt security evidencing the Company's indebtedness to the Noteholder on the terms in the Agreement.
Interest	• There is no interest payable on the Convertible Notes. However upon an Event of Default occurring, an interest rate of 18% per annum will apply on the amount of the face value of all Convertible Notes issued which has not been satisfied via the Noteholder's election to convert the Notes or the Company's election to repurchase the Notes. • The interest is to be calculated daily and compound monthly.
Representations and warranties	The Company has provided the Noteholder with customary representations and warranties.

	Company to request or the ASX or any other governmental authority or regulatory body to impose a stop order; - trading in securities generally in Australia or the United States has been suspended or limited; - the conditions in the Agreement has not been met; - the Company challenges or denies the right of the Noteholder to receive any securities or otherwise dishonours or rejects any action taken or document delivered; - the Agreement becomes partly void, voidable or unenforceable; - a change in an interpretation or administration of the law or proposed law introduced into the Parliament of Australia or any State or Territory of Australia is more likely than not to have a direct or indirect effect on the duties and obligations of the Company and the Noteholder; - any person has commenced an action, claim, proceeding or investigation against any other person which seeks to restrain, challenge, deny, limit or delay the right of the Noteholder or the Company to enter into the Agreement and any associated documents; - the transactions to be undertaken as a consequence of the Agreement, including the issue of securities, would result in the Company breaching Listing Rule 7.1 or Listing Rule 7.1A; - the Noteholder has not received all items required to be delivered to it in connection with a closing or conversion; - any litigation or proceedings of which the Company is a party to has commenced and may result in a material adverse effect; - any present or future liabilities of the Company for an amount totalling more than \$500,000 have not been satisfied on time; - a judgement of an amount of \$500,000 or greater is entered against the Company; and - an event occurs which in the opinion of the Noteholder has or is reasonably likely to have a material adverse effect. Interest will be payable at a rate of 18% per annum in the event of an event of default occurring.
Company Covenants	The Agreement includes covenants from the Company including the below: will use all reasonable endeavours to ensure that no reorganisation, subdivision, consolidation, buy back, redemption, reduction or cancellation of Shares or share capital takes place, without the prior written approval of the Noteholder;

	• will ensure the Noteholder's Shares rank equally in all respects with the existing Shares on the date of issue of the Noteholder's Shares; • will not take any action, enter into any agreement or make any commitment that would conflict or interfere in any material respect with its obligations to the Noteholder under the Agreement; • will comply with all applicable laws; • will not list any of its securities on any financial market, quotation system, or stock exchange, other than the ASX, without the Noteholder's prior written consent; • will remain continuously quoted on the ASX without suspension for more than 5 trading days in any 12 month period; • will conduct business in a proper and efficient manner in accordance with good commercial practice; • will not incur any financial indebtedness in excess of \$250,000 (or as otherwise disclosed), create or permit to create any encumbrance on any of its present or future property or assets; • will not dispose of any assets unless it is in the ordinary course of business, for fair market value and approved by the board of directors of the Company; • will not pay, make or declare any dividend to another subsidiary; • will not cease to carry on or suspend its business; • will not enter into any arrangement with a related party except on terms which are agreed on arm's length terms or otherwise approved by the Company's Shareholders in accordance with Chapter 2E of the Corporations Act; • will not reduce its issued share capital or initiate and undertake a merger or amalgamation; • will not change the nature of its business; • will not make an application under section 411 of the Corporations Act; • will not transfer the jurisdiction of incorporation of the Company or any of its subsidiaries; or • will not enter into any agreement with respect to any of the matters listed above.
Noteholder covenants	The Noteholder must: • not acquire a relevant interest in the Shares which causes the voting power in the Company of the Noteholder and its associates (as defined in the Corporations Act) to exceed 19.99%;

	- not engage in any short selling of Shares; and - notify the Company of any change of its prime brokers or share custodians.
Bonus Issues	If at any time before the Convertible Notes being converted, the Conversion Price of a Convertible Note may be reduced according to the following formula: $C_n = \frac{C_o - E [P - (S + D)]}{N + 1}$ Where: - C_n = the new conversion price of the Convertible Note; - C_o = the old conversion price of the Convertible Note; - E = the number of underlying securities into which one Convertible Note is exercisable; - P = the average market price per security (weighted by reference to volume) of the underlying securities during the 5 trading days ending on the day before the ex right date or the ex entitlements date; - S = the subscription price for a security under the pro rata issue; - D = dividend due but not yet paid on the existing underlying securities (except those to be issued under the pro rata issue); and - N = the number of securities with rights or entitlements that must be held to receive a right to one new security. However this does not apply to Shares issued as part of a bonus share plan, share top up plan, share purchase plan, dividend reinvestment plan, an employee or executive share plan or executive option plan, or any Shares issued as part of the co-equity investment. If there is a bonus issue to the holders of Shares in the Company, the number of Shares over which the Convertible Note is exercisable may be increased by the number of Shares which the Noteholder would have received if the Convertible Note had been exercised before the record date for the bonus issue. An issue will be regarded as a pro rata issue notwithstanding that the Company does not make offers to some or all holders of Shares with registered addresses outside Australia.
Quotation	The Convertible Notes will not be quoted on the ASX. However, the Company will apply for new shares issued on the conversion of the Notes to be quoted on the ASX.

Transferability	The Notes are non-transferrable except to other sophisticated investors or professional investors (as defined in the Corporations Act)

5. Rights and liabilities attaching to the Shares issued on conversion of the Notes
