

FOR IMMEDIATE RELEASE: ASX | 3 November 2020

Alexium Announces Organizational Changes

Melbourne (Australia), Greer (South Carolina, US) – 3 November 2020: Alexium International Group Limited (ASX: AJX) announced today that Chief Commercial Officer Allen Reihman will leave the organization with effect from 3 November 2020. The Company's intention is to eliminate this position with the role of commercial lead subsequently being held by the incoming Vice-President, Sales and Marketing.

Alexium CEO Dr. Bob Brookins stated, "We are grateful to Allen for his work over the past two years at Alexium and wish him the best in his future endeavours. Looking forward for Alexium, we are excited about recent additions to our product portfolio including Alexiflam® NF for barrier fabrics, the Phonon™ technology as well as new innovations in our Alexicool® products. These advances significantly expand the Company's addressable markets, and we are actively working to position the commercial team for success in these opportunities."

About Alexium International Group Limited

Alexium International Group Limited (ASX: AJX) is a performance chemicals and materials provider for advanced materials applications with a focus on flame retardancy and thermal management. The Company is driven by an innovation model for addressing market gaps with patent-protected technologies. These environmentally friendly solutions have applications for several industries and can be customized to meet customer needs. Key markets for Alexium are military uniforms, workwear, and bedding products. Alexium brands include Alexicool®, Alexiflam®, and Phonon™.
