About ECS Botanics

ECS Botanics is an industrial hemp and medicinal cannabis business, cultivating (own and contract growers) and processing hemp for the wholesale market and its own retail food brand. The company’s main operations are conducted in Tasmania, Australia. ECS has the necessary licences to cultivate, supply and manufacture industrial hemp in Tasmania as well as a grower licence in Queensland. ECS holds import and export licences with the Office of Drug Control (ODC) as well as having been granted licences for the cultivation and manufacture of medicinal cannabis. ECS owns a farm in Tasmania for commercial cultivation of hemp, research and as the site of its next generation approach to medicinal cannabis, which is currently under construction. ECS owns a strategic stake in TapAgrico for the logistics, drying and storage of hemp seed.
