9 November 2020

#### TRADING HALT REQUEST

In accordance with listing rule 17.1 and ASX's compliance update no. 04/20, NeuroScientific Biopharmaceuticals Limited (ASX: NSB) requests that the ASX grant two consecutive trading halts of up to four trading days in relation to its securities from the commencement of trading on Monday 9 November 2020.

The consecutive trading halts are necessary to assist the Company in managing its continuous disclosure obligations as the Company expects to make an announcement to the market in relation to a share placement to international strategic investors.

The Company requests the consecutive trading halts for the purposes of considering, planning and executing a share placement and that the consecutive trading halts remain in place until the earlier of commencement of normal trading on Friday 13 November 2020, or when the announcement regarding the share placement is released to the market.

The Company expects to make the announcement to the market before commencement of normal trading on Friday 13 November 2020.

The Company is not aware of any reason why two trading halts should not be granted by the ASX Limited. Please contact me should you have any questions.

Kind Regards,

Abby Macnish Niven Company Secretary
