

ASX Announcement | 9 November 2020
Rafaella Resources Limited (ASX:RFR)

Acquisition of Midrim and Laforce Ni-Cu-PGE Assets Completed

Investment Highlights

- Conditional agreement to acquire the high-grade Ni-Cu-PGE Canadian deposits was executed with Meteoric Resources NL ('**Meteoric**') on 17 August 2020.
- Shareholders of Rafaella Resources approved the transaction at an Extraordinary General Meeting on 29 October 2020.
- The 13,050,000 RFR consideration shares have now been issued to Meteoric.
- All other completion conditions have been satisfied or waived and hence the acquisition has completed.

Rafaella Resources Limited (ASX:RFR) ("Rafaella" or "the Company") is pleased to announce that the acquisition of the Midrim and Laforce Ni-Cu-PGE deposits (the '**Projects**') located in the highly prospective Belleterre-Angliers Greenstone Belt located in the Province of Quebec, Canada (**Figure 1**) has now completed.

The Projects were the subject of a conditional acquisition agreement between the Company and Meteoric¹. Those conditions have now been satisfied or waived by the parties.

The 13,050,000 consideration shares as set out in the acquisition agreement have been issued by Rafaella to Meteoric at a deemed price of \$0.09/share for a total deemed consideration of \$1,174,500. Note that 7,830,000 of the consideration shares are subject to a 6-month voluntary escrow period.

As previously disclosed², the Projects benefit from exceptionally high-grade drilling assay results, including the following intersections at the Midrim Deposit:

- **4.3m @ 6.57% Ni, 5.15% Cu & 7.15g/t PGEs** from 57.15m depth in hole MR00-05;
- **4.6m @ 5.97% Ni, 4.91% Cu & 3.38g/t PGEs** from 48.00m depth in hole MR00-37; and
- **9.4m @ 3.52% Ni, 4.25% Cu & 4.59g/t PGEs** from 56.00m depth in hole MR17-01

Rafaella's Managing Director Steven Turner said: "Rafaella is pleased to confirm that we have now completed on the acquisition of these highly attractive Canadian nickel copper sulphide deposits, adding significant upside to an already exciting Canadian exploration portfolio. Following the issuance of the consideration shares, we would like to welcome Meteoric Resources NL to our shareholder register. With the ongoing work on the Santa Comba tungsten project, Rafaella is building a balanced portfolio of assets in critical commodities located in low-risk, mining friendly jurisdictions."

This announcement has been authorised by the Board of Directors of the Company.

About Rafaella Resources

Rafaella Resources Limited (ASX:RFR) is an explorer and developer of world-class mineral deposits worldwide. Rafaella owns the Santa Comba tungsten and tin development project in Spain and the McCleery cobalt and copper exploration project in Canada. Santa Comba is located in a productive tungsten and tin province adjacent to critical infrastructure and the McCleery project was previously under-explored and holds significant potential.
