About the Company

Matador Mining Limited is a gold exploration company with tenure covering 120km of continuous strike along the highly prospective, yet largely under-explored Cape Ray Shear in Newfoundland, Canada. The Company released a Scoping Study in May 2020 which outlined an initial potential 7-year mine life, with a forecast strong IRR (51% post Tax), rapid payback (1.75 year) and LOM AISC of US\$776 / oz Au (ASX announcement 6 May 2020).

This announcement has been authorised for release by the Company's Executive Chairman.
