Dear Mr Barchem,

Eden Innovations Ltd - Request for temporary suspension from quotation of securities under Listing Rule 17.2

The proposed capital raising that we are arranging is not yet complete.

Accordingly, we are not in a position to announce the successful completion of this capital raising before the start of trading on Monday 7 December 2020, and accordingly seek a temporary suspension from quotation of Eden's securities until the earlier of the commencement of normal trading on Tuesday 8 December 2020, or when the announcement is released to the market.

Eden is not aware of any reason why its securities should not be suspended.

Should you require any further information or details, please let me know.

Yours faithfully,
