Civmec Grows Order Book to Over A\$1.1 Billion

PERTH, 16th December 2020 Civmec Limited (“Civmec” or the “Group”) is pleased to announce that it has been awarded multiple contracts, taking Civmec’s order book to over A\$1.1 billion. The awards include the fabrication of significant port infrastructure by the Manufacturing division, as well as other heavy engineering projects to be delivered from our expanded fabrication facilities.

The awards include:

- the manufacturing of over 13,500 tonnes of wharf girders and associated structures for the development of port infrastructure at the Hay Point loading port in Central Queensland; and
- various other contracts to be delivered from our Henderson facility in Western Australia and our east coast facility at Newcastle in New South Wales.

Port Infrastructure Project

The contract includes the supply, fabrication, surface treatment and assembly of over 13,500 tonnes of wharf girders and associated structures for the BHP Mitsubishi Alliance (BMA) Hay Point Coal Terminal, located 40 km South of Mackay Queensland. Procurement and shop detailing activities will commence immediately with fabrication starting in Q4 FY2021. Loadout onto Heavy Lift Vessels is scheduled to start in early 2022, with the last vessel planned for load out in Q4 FY2022. The project will employ over 350 people during fabrication and assembly at the company’s Henderson Facility.

Civmec’s Chief Executive Officer, Mr Patrick Tallon, said: “The award for the Hay Point port infrastructure work is the second significant package of works that we have been trusted to deliver for this port upgrade. We look forward to delivering a high-quality product to McConnell Dowell to allow them to have a seamless installation at the site location and welcome the opportunity to work alongside all stakeholders on this project”.

This announcement was authorised for release to the SGX and ASX by the Board.
