FIJI KAVA - CYCLONE YASA UPDATE

Brisbane Australia : Fiji Kava Ltd (ASX: FIJ), an Australian-Fijian medicinal kava health & wellness company which produces natural 'Noble Kava' products for the complementary and alternative medicine market, provides the following update in response to recent adverse weather events in Fiji with Cyclone Yasa.

At this stage, it is understood that only minor damage has been sustained at the Company's facilities in Levuka, on the island of Ovalau, Fiji. The Company has already commenced rectification work with the expectation being that the facility's processing capabilities on Levuka will continue to operate during this period.

Fiji Kava is also engaged with its suppliers and community growers to understand the level of impact they sustained as a result of Cyclone Yasa, especially in Vanua Levu. Fiji Kava will continue to work closely with its local stakeholders to ensure an on-going supply of Noble Kava and will also be making a donation to the Rotary Club of Suva Cyclone Relief Fund, of FJD \$10,000 to assist with on-the-ground assistance in the recovery.

The Company continues to prioritise the safety and wellbeing of its people and reports that its personnel are safe.

Fiji Kava will continue to monitor the events in Fiji and provide further updates to the market as appropriate.

ENDS

Forward-Looking Statements

This ASX release includes certain forward-looking statements that are based on information and assumptions known to date and are subject to various risks and uncertainties. Actual results, performance or achievements could be significantly different from those expressed in, or implied by, these forward-looking statements. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Fiji Kava. These factors may cause actual results to differ materially from those expressed in the statements contained in this announcement.

About Fiji Kava

Fiji Kava Ltd (ASX: FIJ), an Australian-Fijian medicinal kava health & wellness company, producing natural 'noble kava' products for the complementary and alternative medicine market, estimated to exceed USD \$210 billion by 2026 globally.

As the first foreign company with approval from the Fijian Government to operate in the kava industry, Fiji Kava has established a global leading sustainable and 100% traceable supply chain of 'noble kava' via its world first kava tissue culture laboratory and nucleus farm in Levuka, on the island of Ovalau, Fiji.

Fiji Kava is focussed on expanding the availability of noble kava products throughout western markets to provide a natural alternative to prescription medicines to promote sleep, soothe and calm the nerves, support muscle relaxation and relax the mind

Backed by years of independent research, Fiji Kava medical kava products are produced by high-quality GMP and are TGA and FDA compliant.
