ASX Price & Volume Query - Pursuit Minerals Limited (ASX: PUR)

Ms Jessica Coupe
Adviser, ASX Listings Compliance (Perth)
ASX Limited
152 – 158 St Georges Terrace
Perth WA 6000

Dear Jessica

I refer to the letter dated 7 January 2021 wherein the ASX notes an increase in the price of Pursuit Minerals Limited's securities (ASX: PUR) and a significant increase in the volume of trading in the Company's securities during the course of trading on 7 January 2021.

The Company provides the following responses to the ASX's queries:

1. Is PUR aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

As previously advised in the Offer Document dated 19 October 2020 (page 10), the Company is currently exploring a transaction that may result in it spinning out or a joint venture on its Scandinavian Projects. If this transaction proceeds, it is likely that a third party may take over its expenditure obligations on these projects. At this stage terms have yet to be finalised and there is no formal contract that has been executed.

Other than as noted above, the Company is not aware of any other information concerning the Company which, if known to some in the market, could explain the recent trading in PUR securities.

2. If the answer to Question 1 is "yes".

(a) Is PUR relying on Listing Rule 3.1A not to announce the information under Listing Rule 3.1?

There are merely discussions between parties occurring and no formal agreements have been executed.

(b) Can an announcement be made immediately?

No, at this stage neither parties have committed to a transaction.

(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

An announcement can not be made as the terms of the transactions are yet to be finalised. If a transaction proceeds the Company will advise the market forthwith.

3. *If the answer to question 1 is "no", is there any other explanation that PUR may have for the recent trading in its securities?*

N/A

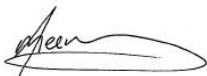

4. *Please confirm that PUR is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

The Company confirms that it is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

5. *Please confirm that PUR's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of PUR with delegated authority from the board to respond to ASX on disclosure matters.*

I confirm that the responses above have been authorised and approved by the Board of Directors of the Company.

Yours sincerely

Mark Freeman

Dear Mr Freeman

Pursuit Minerals Ltd ('PUR'): Price - Query

ASX refers to the following:

- A. The change in the price of PUR's securities from a low of \$0.026 to an intra-day high of \$0.034 today.
- B. The significant increase in the volume of PUR's securities traded today.

Request for information

In light of this, ASX asks PUR to respond separately to each of the following questions and requests for information:

1. Is PUR aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is "yes".
 - (a) Is PUR relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in PUR's securities would suggest to ASX that such information may have ceased to be confidential and therefore PUR may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is "no", is there any other explanation that PUR may have for the recent trading in its securities?
4. Please confirm that PUR is complying with the Listing Rules and, in particular, Listing Rule 3.1.
5. Please confirm that PUR's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of PUR with delegated authority from the board to respond to ASX on disclosure matters.

When and where to send your response

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **01:30 PM AWST Thursday, 7 January 2021**. You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall

within the exceptions mentioned in Listing Rule 3.1A, PUR's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require PUR to request a trading halt immediately.

Your response should be sent to me by e-mail at **ListingsCompliancePerth@asx.com.au**. It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in PUR's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in PUR's securities under Listing Rule 17.3.

Listing Rules 3.1 and 3.1A

In responding to this letter, you should have regard to PUR's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that PUR's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

We reserve the right to release a copy of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.
