December 2020 Quarterly Report

Carbine Resources Limited (ASX: CRB) (the **Company** or **Carbine**) is pleased to provide shareholders with the quarterly activities report for the three-month period ended 31 December 2020.

On 14 December 2020, the Company advised that the proposed acquisition of Cockatoo Iron NL (**Cockatoo Iron**) as originally announced to the ASX on 22 January 2020 will no longer be proceeding. Due to the complexities of the historical operations on Cockatoo Island, the Company has been undertaking additional due diligence activities to mitigate potential exposure to the Company and shareholders. Following these activities and further investigations, the Company identified areas of concern that the Company was attempting to work through in good faith with Cockatoo Iron in order to be in a position to proceed with the transaction. After 18 months of protracted negotiations and incurring significant costs associated with legal and technical due diligence, the Company is disappointed to have been notified by Cockatoo Iron of their withdrawal from the transaction.

The Company is now in advanced negotiations and undertaking due diligence on a prospective new acquisition, details of which will be announced to the market as soon as possible.

Cash at bank for the Company, as at 31 December 2020, was approximately \$1.6 million. The Company also holds listed securities with an approximate value of \$1,000,000.

This announcement has been authorised for release by the Board of Carbine Resources Limited.
