Motio names Harley Grosser as Non-Executive Director

Today marks a significant milestone in the progress of Motio (**Motio Limited** or the **Company**) and its strategic development with the appointment of Motio's largest shareholder, Harley Grosser to the Board.

Harley Grosser is the Founder of Capital H Management, a Sydney based specialist small cap funds management company, and the manager of the Capital H Inception Fund. Mr Grosser also has experience working at firms such as Bligh Capital and Pie Funds Management.

Welcoming Mr Grosser to the Board, Motio Chair Justus Wilde noted the expertise Mr Grosser will bring, his valued experience in the micro-cap environments and contribution to the overall strategic vision for Motio.

Mr Wilde added "Mr Grosser's ability to identify investment opportunities in their hyper growth phase created a natural alignment between his ambitions and Motio's current business progression and we are enthused to have his energy, focus and guidance."

Mr Grosser said "We identified in Motio a high quality and energetic team executing on an attractive opportunity to build the leading place-based media business in Australia from the ground up. I'm excited to be working closely with Adam and his team to execute on this vision."

Capital H is an active investor that endeavors to add value to its investments and has a successful track record of identifying growth companies early in their development. Since founding Capital H Inception Fund has delivered a 34% CAGR at 31st December 2020¹.

Mr Wilde added "Harley is future thinking, well researched and more than a person just to watch".

The growth and traction Grosser has gained over the early years of his career is inspiring to the Motio team and highlights his value to the business.

This announcement has been authorised by the Board of Motio Limited.
