2. Action to be taken by Shareholders

Shareholders should read the Notice including the Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Impact of COVID-19 on the Meeting

The health and safety of members and personnel, and other stakeholders, is the highest priority and the Company is acutely aware of the current circumstances resulting from COVID-19.

Given the significant health concerns attributed to the COVID-19 pandemic and the travel restrictions in place, the Company strongly encourages Shareholders to vote by completing a Proxy Form.

If the situation in relation to COVID-19 changes in a way that affects the position above, the Company will provide a further update ahead of the Meeting by releasing an ASX announcement.

2.2 Proxies

Shareholders are strongly encouraged to vote by completing a Proxy Form.

Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting.

To vote by proxy:

- (a) Please lodge the Proxy Form online at <https://investor.automic.com.au/#/loginsah> by following the below instructions:

To use the online lodgement facility, Shareholders will need their holder number (either Security Holder Reference Number (SRN) or Holder Identification Number (HIN)) as shown on the front of the Proxy Form;

3. Background

On 28 January 2021 the Company announced that it entered into a binding Memorandum of Understanding for the Company to acquire a 50% equity interest in PD, a Mozambique remote camp specialist, to build a 668 bed accommodation camp at the Company's Wentworth site in Palma, Cabo Delgado, Mozambique.

For the Company to secure funding to meet its obligations under the Memorandum of Understanding and to secure further general working capital, the Company secured commitments for financing of \$4,000,000 (before costs) in the form of both an equity placement and loan funds (as announced on 28 January 2021). The Company secured this funding, by way of:

- (a) firm commitments to raise a total of \$2,250,000 (before costs) via the issue of 281,250,000 Shares at \$0.008 each (**Placement Shares**) to sophisticated and professional investors under the Company's Listing Rules 7.1 and 7.1A capacities and subject to shareholder approval (**Placement**); and

- (b) commitments for loan funds of \$1,750,000, which the Company intends to seek Shareholder approval to discharge by way of the issue of Convertible Notes.

Placement

In accordance with the Placement detailed above, on 2 February 2021, the Company issued 249,207,105 Placement Shares. Of those Placement Shares, 149,212,130 Shares were issued using the Company's 15% placement capacity under Listing Rule 7.1 (**Tranche One**); and 99,994,975 Shares were issued using the Company's 10% placement capacity under Listing Rule 7.1A without the need for prior Shareholder approval (**Tranche Two**). The Company now seeks that the Tranche One Shares issued and Tranche Two Shares issued be ratified by the Shareholders.

The Company does not have sufficient capacity to issue the balance of the Placement Shares and therefore seeks Shareholder approval for the issue of 32,042,895 Placement Shares to complete the Placement (**Tranche Three**).

Loan and Convertible Notes

As announced on 28 January 2021, the Company received a commitment from CPS Capital Group and Novus Capital Limited to provide loan funds of \$1,750,000 at a simple interest rate of 11% (**Loan**). The Company intends to issue the Convertible Notes to satisfy its obligations under the Loan. Each Convertible Note converts into Shares (**Conversion Shares**) and at conversion, Noteholders may apply for one Option (**Conversion Option**) for every four Conversion Shares issued.

4. Resolution 1 - Ratification of prior issue of Tranche One Placement Shares and Resolution 2 – Ratification of prior issue of Tranche Two Placement Shares - 7.1A Capacity

On 2 February 2021, the Company issued:

- (a) 149,212,130 Tranche One Placement Shares using the Company's placement capacity under Listing Rule 7.1 to raise approximately \$1,193,697 (before costs); and
- (b) 99,994,975 Tranche Two Placement Shares using the Company's placement capacity under Listing Rule 7.1A to raise approximately \$799,959 (before costs).

Resolution 1 and Resolution 2 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Tranche One and Tranche Two Placement Shares, respectively.

4.1 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Tranche One and Tranche Two Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under that Listing Rule for the 12 month period following the issue of the Tranche One and Tranche Two Placement Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under Listing Rules 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

If Resolution 1 is passed, the issue of Tranche One Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue of those Placement Shares.

If Resolution 1 is not passed, the issue of Tranche One Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue of the Placement Shares.

If Resolution 2 is passed, the issue of Tranche Two Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue of those Placement Shares.

If Resolution 2 is not passed, the issue of Tranche Two Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue of the Placement Shares.

4.2 **Specific information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Tranche One and Tranche Two Placement Shares:

- (a) The Tranche One and Tranche Two Placement Shares were issued to sophisticated and professional investors, none of whom is a related party of the Company.
 - (i) Novus Capital Limited (**Lead Manager**) acted as lead manager to the Placement. The Placement participants were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising from non-related parties of the Company, and are existing contacts of the Company and clients of the Lead Manager.
 - (ii) None of the Tranche One or Tranche Two participants are Material Investors holding more than 1% of the issued capital in the Company.
- (b) 249,207,105 Tranche One and Tranche Two Placement Shares were issued comprising:
 - (i) 149,212,130 Tranche One Placement Shares (Resolution 1); and
 - (ii) 99,994,975 Tranche Two Placement Shares (Resolution 2),

the Tranche One and Tranche Two Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

- (c) The Tranche One and Tranche Two Placement Shares were issued on 2 February 2021.
- (d) The Tranche One and Tranche Two Placement Shares were issued at \$0.008 per Share. Approximately \$1,193,697 (before costs) will be raised from Tranche One and approximately \$799,959 (before costs) will be raised from Tranche Two.
- (e) The purpose of the issue of the Tranche One and Tranche Two Placement Shares was to raise funds to be used towards acquiring a 50% equity interest of PD, which is building a 668 bed accommodation camp at the Wentworth site in Palma, Cabo Delgada, Mozambique, as well as for costs of the Placement and general working capital.
- (f) The Tranche One and Tranche Two Placement Shares were issued pursuant to a mandate with the Lead Manager. Under the mandate, the Lead Manager will receive a \$15,000 engagement fee and a brokerage fee of 6% of the total amount raised under the Placement. There are no other material terms upon which the Tranche One and Tranche Two Placement Shares were issued.
- (g) A voting exclusion statement is included in the Notice.

4.3 **Additional information**

The Board recommends that Shareholders vote in favour of Resolution 1 and Resolution 2.

5. **Resolution 3 – Approval to issue Tranche Three Placement Shares**

A summary of Listing Rule 7.1 is contained in Section 4.1 above.

The proposed issue of Tranche Three Placement Shares does not fit within any of the exceptions to Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to the issue of the Tranche Three Placement Shares under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Tranche Three Placement Shares and, the issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company may need to issue the Tranche Three Placement Shares using capacity under Listing Rule 7.1 (subject to capacity).

5.3 **Specific information required by Listing Rule 7.3**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the proposed issue of the Tranche Three Placement Shares:

- (a) The Tranche Three Placement Shares will be issued to sophisticated and professional investors, none of whom will be a related party of the Company.
 - (i) The Lead Manager acted as lead manager to the Placement. The Placement participants were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising from non-related parties of the Company, and are existing contacts of the Company and clients of the Lead Manager.
 - (ii) None of the Tranche Three Placement participants will be material investors holding more than 1% of the issued capital in the Company.
- (b) A maximum of 32,042,895 Tranche Three Placement Shares will be issued. The Tranche Three Placement Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

- (e) A summary of the material terms of the Lead Manager mandate is in Section 4.2(f). There are no other material terms upon which the Tranche Three Placement Shares were issued.
- (f) A voting exclusion statement is included in the Notice.

5.4 **Additional information**

Resolution 3 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

6. **Resolution 4 – Approval to issue Convertible Notes**

6.1 **General**

As set out in Section 3, the Company received a commitment from CPS Capital Group and Novus Capital Limited to provide the Loan, being loan funds of \$1,750,000 at a simple interest rate of 11%. The Company intends to draw down the funds shortly and intends to issue the Convertible Notes to satisfy its obligations under the Loan. Each Convertible Note converts into Conversion Shares and, upon election, one Conversion Option per every four Conversion Shares.

Resolution 4 seeks approval for the issue of Convertible Notes with a face value of \$1,750,000 which, subject to Shareholder's approving Resolution 4, will be convertible at the election of the Noteholder into a maximum of 175,000,000 Conversion Shares and 43,750,000 Conversion Options.

6.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is contained in Section 4.1 above.

The proposed issue of the Convertible Notes does not fit within any of the exceptions to Listing Rule 7.1.

Resolution 4 seeks Shareholder approval to issue the Convertible Notes for the purposes of Listing Rule 7.1, which will, at the election of the Noteholder, be convertible into Conversion Shares and Conversion Options.

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Convertible Notes. Once issued, the Convertible Notes will be convertible into a maximum number of Conversion Shares and Conversion Options under Listing Rule 7.1 exception 9. Accordingly, the issue of the Convertible Notes, and the subsequent conversion into Conversion Shares and Conversion Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to issue the Convertible Notes and will likely be required to renegotiate the terms of the Loan with CPS Capital Group and Novus Capital Limited or be required to repay any principal drawn down under the Loan.

Total diluted Structure* Conversion at \$0.015⁽⁵⁾	1,395,770,524	60,356,795	400,000	11.7%
Conversion at \$0.02	87,500,000	21,875,000	-	
Total diluted Structure* Conversion at \$0.02⁽⁶⁾	1,359,312,191	60,356,795	400,000	8.8%

Notes:

1. Dilution is expressed as the increase of Shares over the existing Shares on issue, assuming the conversion of the Convertible Notes into Conversion Share and Conversion Options, and exercise of the Conversion Options.
2. Comprising:
 - a. 42,266,535 unquoted Options exercisable at \$0.014 each on or before 31 August 2021; and
 - b. 18,090,260 unquoted Options exercisable at the 20 day VWAP of the Company Shares as trade on the ASX (calculated from the date of the relevant exercise notice being received by the Company) on or before 8 September 2022.
3. Existing convertible notes of the Company.
4. Assuming the Convertible Notes convert into Conversion Shares at \$0.01, and the Conversion Options are issued on the basis of 1 Conversion Option for every 4 Conversion Shares issued. This represents the maximum dilution that Shareholders may incur through the issue of the Convertible Notes.
5. Assuming the Convertible Notes convert into Conversion Shares at \$0.015, and the Conversion Options are issued on the basis of 1 Conversion Option for every 4 Conversion Shares issued.
6. Assuming the Convertible Notes convert into Conversion Shares at \$0.02, and the Conversion Options are issued on the basis of 1 Conversion Option for every 4 Conversion Shares issued.

The above table assumes the current Share capital structure as at the date of this Notice (being 1,249,937,191 Shares on 19 February 2021) and that no Shares are issued other than the Shares issued on exercise of the Convertible Notes and the exercise of the Conversion Options. The conversion of all of the Convertible Notes into Conversion Shares and the issue and exercise of the Conversion Options will result in a total dilution of all other Shareholders' holdings of 17.5%.

The actual dilution is variable, depending on the price at which the Convertible Notes convert, and also as a result of any further issues of Shares that the Company may make prior to the conversion of the Convertible Notes.

2. **Exercise Price and Expiry Date**

Each Option has an exercise price equal to the higher of \$0.01 or 20% discount to the 10 day VWAP immediately prior to conversion (**Exercise Price**) and will expire at 5.00pm (WST) on the date that is two (2) years after their issue (**Expiry Date**). Any Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.

3. **Exercise Period**

The Options are exercisable at any time and from time to time on or prior to the Expiry Date.

4. **Quotation of the Options**

The Company will not apply for official quotation on ASX of the Options.

5. **Transferability of the Options**

The Options will be non-transferable without consent of the Company (which shall not be unreasonably withheld) subject to compliance with the Corporations Act and Listing Rules.

6. **Notice of Exercise**

The Options may be exercised by notice in writing to the Company in a form reasonably acceptable to the Company (**Notice of Exercise**) and payment of the Exercise Price for each Option being exercised in Australian currency by cheque or electronic funds transfer.

Any Notice of Exercise of an Option received by the Company will be deemed to be a notice of the exercise of that Option as at the date of receipt.

- (d) give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
- (e) apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If the Company is unable to deliver a notice under paragraph (d) or such a notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company will lodge with ASIC a "cleansing prospectus" prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors. Where a "cleansing prospectus" is required, any Shares issued on exercise of Options will be subject to a holding lock until such time as a prospectus is issued by the Company.

9. Participation in New Issues

There are no participation rights or entitlements inherent in the Options and Optionholders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options.
