### Response to ASX Price Query

Jadar Resources Limited (ASX:JDR, “Jadar” or “the Company”) provides this response in relation to ASX’s letter dated 23 February 2021 regarding a change in the price of JDR’s securities from a low of \$0.033 at the close of trade on Monday, 22 February 2021 to an intraday high of \$0.051 on Tuesday, 23 February 2021. In addition, ASX has noted the significant increase in the volume of JDR’s securities traded on Tuesday, 23 February 2021.

In response to the questions detailed in ASX’s letter the Company advises as follows:

- 1. Is JDR aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

No. However, the Company notes the issue of a cleansing notice on 29 January 2021 in which the Company advised shareholders that it had been presented with an opportunity to spin-out its Serbian assets which are held by a subsidiary of the Company. Prior to today’s announcement regarding the spin-out of the Company’s Serbian assets, the proposal was incomplete in nature.

- 2. If the answer to question 1 is “yes”**

Not applicable.

- 3. If the answer to question 1 is “no”, is there any other explanation that JDR may have for the recent trading in its securities?**

The Company is not aware of any reason or information which could be an explanation for the manner of trading in the Company’s securities over the aforementioned period. However, the Company notes that its exploration projects and work programs include lithium, silver, tin, copper and gold commodities, which are active sectors experiencing favourable market conditions. As such the Company continues to advance its work programs and proactively pursues project generation activities.

- 4. Please confirm that the Entity is in compliance with the Listing Rules and, in particular, Listing Rule 3.1**

The Company confirms that it is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

Dear Ms Martino

**Jadar Resources Limited ('JDR'): Price Query**

ASX refers to the following:

- A. The change in the price of JDR's securities from a low of \$0.033 at the close of trade on Monday, 22 February 2021 to an intraday high of \$0.051 today, Tuesday 23 February 2021.
- B. The significant increase in the volume of JDR's securities traded today, Tuesday 23 February 2021.

**Request for information**

In light of this, ASX asks JDR to respond separately to each of the following questions and requests for information:

- 1. Is JDR aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
- 2. If the answer to question 1 is "yes".
  - (a) Is JDR relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
  - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
  - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
- 3. If the answer to question 1 is "no", is there any other explanation that JDR may have for the recent trading in its securities?
- 4. Please confirm that JDR is complying with the Listing Rules and, in particular, Listing Rule 3.1.
- 5. Please confirm that JDR's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of JDR with delegated authority from the board to respond to ASX on disclosure matters.

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall

---

within the exceptions mentioned in Listing Rule 3.1A, JDR's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require JDR to request a trading halt immediately.

- the reasons for the trading halt;
- how long you want the trading halt to last;

- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.
