AppsVillage receives conditional approval for dual listing on the Toronto Stock Exchange (TSXv)

Max Bluvband, Founder and CEO comments:

"North America is a key growth market for our SMB offering, a dual listing on the TSXV makes is aimed to increase investors awareness and share liquidity as we continue to implement our growth initiatives."

AppsVillage Australia Ltd (ASX: APV) (AppsVillage or the Company), a SaaS solutions provider for small and medium businesses, today announces it has received conditional approval from the TSX Venture Exchange (**TSXV**) to proceed with a dual listing. The Company now has 90 days to meet the usual standard conditions required by the Exchange to proceed with the listing.

TSXV listing

North America is a key growth market for AppsVillage SMB product offering and through the dual listing on the TSXV, the Company will be in a stronger position to broaden its international profile not only with SMBs, but also with institutional and other investors in that market.

The Company will continue to work with the TSXV authorities to satisfy their listing requirements and at this stage anticipates proceeding with the listing within the 90 day period.

About TSXV

TSXV is a public venture capital marketplace for emerging companies. It provides a fair marketplace where growth companies can raise capital to develop and market their properties, products and services. For investors, the exchange provides opportunities to seek early stage investments in growth companies.

The TSXV continues to grow with over 1,000+ issuers across a diverse mix of industry sectors including resources, industrial, life sciences, technology, clean technology and financial services.
