Extension of lodgement date for December 2020 Audited Half Year Report

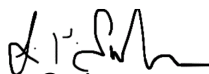

The Company has decided to rely on ASIC Corporations (Amendment) Instrument 2020/1080 to extend the lodgement deadline for its audited half year accounts and other documents required to be lodged with ASIC under section 320 of the Corporations Act.

As required under the conditions of the class relief granted by the ASX, the Company has today lodged its Appendix 4D and unaudited accounts with the ASX.

The Company will immediately make further announcements to the market should it become aware there will be a material difference between its unaudited half year accounts and its audited half year accounts.

This announcement has been authorised for release to the ASX by the VPCL Board.

Yours faithfully
