Cliff Head Operations Update

Triangle Energy (Global) Limited (**ASX:TEG**) (**Triangle/the Company**) would like to give the following update on its Cliff Head operations.

The Company is pleased to announce that the Company's Cliff Head Alpha (**CHA**) platform and the Arrowsmith Stabilisation Plant (**ASP**) and associated facilities remain in excellent condition after the passing of the severe weather event (Tropical Cyclone Seroja) in the region where CHA and ASP are situated. Triangle can also confirm there was and is no risk to staff safety.

Both the ASP and CHA facilities were robustly designed for rare storm events in excess of the recent weather condition.

Further updates will be provided in accordance with the Company's continuous disclosure obligations.
