Cedar Woods appoints National Acquisitions Manager

Cedar Woods Properties Limited ('Cedar Woods' or 'the Company') (ASX: CWP) is pleased to announce the appointment of Brendan Gorrige to the newly-created senior role of National Acquisitions Manager.

Brendan brings to Cedar Woods 28 years' experience across property valuations, acquisitions, development, and finance. He has held various senior positions in WA and NSW, including as State Director, ANZ Institutional Property Group (WA) and most recently held the position of Chief Investment Officer at Satterley Property Group.

The creation of this new role will support Cedar Woods' growth ambitions at a time when the Company is well placed for expansion, backed by a strong balance sheet and ample funding capacity to make strategic acquisitions.

Brendan will commence with Cedar Woods in late April.
