About Schrole

Schrole is a global provider of SaaS solutions for teachers and educational organisations. The Company's vision is to create a unified HR management platform contextualised to meet the specialised needs of the education industry.

Schrole HR will be progressively released from 1 July 2021, providing a range of integrated modules to optimise Human Resources processes and provide online professional development for teachers and educational organisations.

Schrole HR will integrate Schrole's current and new product offerings, to provide a full suite of 6 human resources Software-as-a-Service (SaaS) offerings, comprising Schrole Connect, Verify, Engage, Cover, Develop and Events.

Schrole Connect (currently sold as ISS-Schrole Advantage) is an online SaaS platform that enables international schools to streamline teacher recruitment and candidate management activities. Significant enhancements include interview scheduling and calendar integration; DocuSign integration and customisable email management.

Schrole Verify provides background screening in the international schools sector.

Schrole Engage is due for first release in 2H2021 and will provide contract management and onboarding software for schools. Engage includes the following functionality:

- DocuSign integration with ability to send multiple documents for signing in one envelope;

- Welcome to school pathway including Contract management; Visa Management; Welcome message from Principal; Onboarding documents/policies reading checklist;
- Ability for HR user and staff member to manage staff information; and
- Ability for HR to offboard/archive staff members.

Schrole Cover is a cloud-based software platform that engages relief staff at the touch of a button.

Schrole Develop provides accredited professional development solutions contextualised to client needs.

Schrole Events is due for first release in 2H2021 and will provide regionalised online recruitment events including candidate to school SmartMatching and video interviews. This will include the following functionality:

- Enhanced booking and notifications experience;
- No requirement for schools and candidates to create new profiles in separate events app, resulting in significantly enhanced user experience;
- Stage 1 Zoom integration to allow for personalised interview experiences; and
- Calendar scheduling integrations.

This release was authorized by the Company's Managing Director.
