ASX Announcement
(ASX: ERG)

Quarterly Activity Report to March 2021

Eneco Refresh Ltd is pleased to provide a review for the nine months ended March 2021.

A breakdown of revenue for the period by Cash Generating Units is presented below. Refresh Waters has continued to do well, with an 8% increase in sales compared to the same period last year. Sales growth at Refresh Plastics has achieved a creditable 25% year-to-date, although growth has slowed. Overall, growth has increased by 12%.

<u>Revenue</u>	<u>Jul 20 - Mar 21</u>	<u>Jul 19 - Mar 20</u>	<u>Variance</u>
<i>Cash Generating Units</i>	<i>\$'000</i>	<i>\$'000</i>	
Western Australia	2,474	2,494	-1%
New South Wales	1,595	1,574	1%
Victoria	1,073	994	8%
Northern Territory	1,062	654	62%
Queensland	<u>1,573</u>	<u>1,464</u>	7%
Refresh Waters	<u>7,777</u>	<u>7,180</u>	8%
Refresh Plastics	<u>2,535</u>	<u>2,035</u>	25%
Total	<u>10,312</u>	<u>9,215</u>	12%

Refresh Waters

Sales in Western Australia improved, reducing its negative variance from the first half year. New South Wales has had a positive variance because of a pick up in our custom labelled bottled water division. As business activity returns to normal, promotional spending has started to increase. Victoria continued to do well, with its increase coming mainly from its sale of commercial distilled water. Northern Territory sales has increased significantly, although growth slowed because of heavy flooding in several places. Queensland achieved good growth at 7% which we foresee will continue.

Refresh Plastics

Refresh Plastics had a marginal increase in the third quarter, resulting in growth dropping from 38% in the first half year. This is partly because we no longer sell Petainer one-way PET kegs. However overall, it has outperformed sales compared to this time last year, at 25%.

This announcement was authorised by Henry Heng, Executive Chairman.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
